Dear Friends,

The Junior League of Scranton, Inc. is an organization of women committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

For over 78 years, from its inception in 1935 as the Welfare League of Scranton, to its acceptance by the Association of the Junior Leagues of America (AJLI) in 1940 as the Junior League of Scranton, and continuing through to today, the Junior League of Scranton has served Scranton and its surrounding communities. Currently, a group of more than 30 dedicated Junior League of Scranton volunteers continue this legacy with the financial support of community members like you.

Here are some of our League's recent accomplishments and community involvements:

- Our 9th annual **Touch A Truck** had 60 vehicles to explore as well as engaging activities for the 1,100 attendees.
- Many **Kids in the Kitchen** events during the year empower children to make healthy eating choices and are hosted in multiple locations throughout the community.
- **The Crockpot Cookery** event taught healthy recipes to clients of the Catherine McAuley Center. This has since developed into a **Crockpot Cooking Series**.
- Spring 2018 **Nutrition and Hunger Forum** will be held for the public.
- Several **drives for school supplies** are held annually for area elementary schools.
- Various **KNOWME** events are offered, promoting positive expression through art to local teens.
- Multiple **food drives** and **park cleanups** are undertaken throughout the year.
- Preparation of meals for the **Ronald McDonald House of Scranton** residents as well as for guests at the **Keystone Rescue Mission**.
- Our members also contribute to many local charities and charitable events such as Greater Scranton Jaycees Trunk or Treat, Big Brothers/Big Sisters Bowl for Kids' Sake, Friends of the Poor Thanksgiving Dinner, the creation of fleece tie blankets for donation to the St. Joseph's Center Mother and Infant Program, just to name a few.

The Junior League of Scranton thanks you for your support.

Sincerely,

Tami Nasser
