

JUNIOR LEAGUE OF
SCRANTON

“Leave Your Legacy”

A Sponsorship Campaign for the Preservation of Junior League History

In order to best preserve the Junior League of Scranton’s substantial history of contribution to women and children in Northeastern Pennsylvania, the History Committee requires the purchase of items and technology to properly store League scrapbooks, documents, photographs, and other League memorabilia.

The items to be purchased include, but are not limited to:

appropriate archival storage boxes

archiving tools

shelving

tweezers and anti-static gloves to handle photos and documents

an external hard drive

acid-free archival and storage supplies

other preservation items

Initial digitization of the League’s oldest scrapbooks will be done through a grant from Scranton Area Community Foundation, but additional digitization of items will be necessary.
