

A Message from the President

Dear Membership and Friends of the Junior League of Scranton,

Please join me in saying Happy Anniversary to our League. February 15, 2020 marked the beginning of our 80th year of service to the Scranton area. As I reflect on what this means, the lives we have touched over the years and the social problems we have brought attention to and worked to fix, I cannot imagine our founder, Margaret L. Richards, would be anything but proud.

In order to make sure we are around for another 80 years, our Membership Development Committee is working hard to train our newest volunteers. You will meet our new members in this edition of The Source. This year's class of seven is off to a great start. These talented women heard our mission and are finding new ways to build connections between the League and our Community.

Our Community Research Committee is keeping League members busy with 11 community volunteer events since September and 14 more in the upcoming months. You can also find League members at the NEPA Youth Shelter over the upcoming months, as we execute our Teens at the Table community events.

In addition to working hard, League members found time to gather in celebration of the holidays at our Annual Holiday Party. Most recently, our Arrangements Committee planned a snow tubing night at Montage Mountain. Some members enjoyed the mountain and the crisp night air, while others enjoyed a warm drink in the restaurant.

While I am thrilled to talk about our accomplishments so far, I am even more excited to announce the 2nd Annual Little Black Dress Initiative, slated for March 28 through April 4. We will be starting the week with a new and exciting fundraiser and ending it with a celebratory hockey game. Please watch our social media for updates! We will also have anniversary celebrations over the next few months and hope to get members - both new and sustaining - together to celebrate.

Albert Einstein said, "The woman who follows the crowd will usually go no further than the crowd. The woman who walks alone is likely to find herself in places no one has ever been before." As the rest of the year unfolds, I look forward to seeing where the women of our League end up.

2019 Friends of the Poor Thanksgiving Dinner

Junior League of Scranton members volunteered at the annual Friends of the Poor Thanksgiving Dinner in November at the Scranton Cultural Center at the Masonic Temple. 2019 Annual Holiday Dinner

The Junior League of Scranton held its 2019 Holiday Dinner on December 3, 2019 at Tripp House. Forty Active, Provisional, and Sustaining members were in attendance to jumpstart the holiday season. Guests enjoyed food catered by Constantino's catering and the ladies enjoyed participating in the annual ornament exchange. Thank you to **Holly Scacchitti** and the entire Arrangements Committee for putting together a wonderful event!

Kids in the Kitchen

The Junior League of Scranton held Thanksgiving and snowman themed Kids in the Kitchen events at the Nancy Kay Holmes Library in November and December. Children read books such as The Berenstain Bears Thanksgiving. They also colored turkeys and snowmen and made veggie turkeys and snowmen out of fruit!

Christmas Caroling

During the holiday season, Junior League members had the opportunity to show off their singing skills and make the holidays a little brighter for patients at the Gino Merli Veterans Center and Holy Family Residence.
