Let ClearWeave fit you into the workforce by helping you with ...

- **Interview Prep** – Includes “Mock” Interview
- **Resumé Created / Reviewed** – Revised if needed
- **Job Skills Assessment** – Training and education advisement given – especially in software skills related to coding and video editing
- **Job Search Strategies** (are you using the best sites and what keywords are you using? Are you using filters to aid you?)
- **Social Media Presence** – Especially using LinkedIn effectively
- **CW Partner Link** – Utilize our growing network of company partners, job supervisors, and executive directors
- **CW Reach-Out** – Allow ClearWeave staff to start a dialogue with an employer on your behalf. We often generate interviews this way.
- **Follow-Up** – Guide and Maintain Your Job. Grow within the workplace even further when you are ready.

Sessions are 50 mins. once per week until job is attained
