

THE Bolthole at Newport

Simply... a lovely slice of
Pembrokeshire

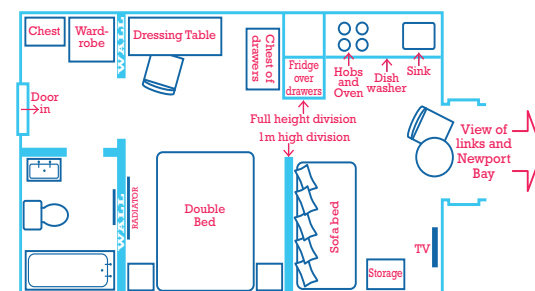

A small, freshly appointed studio apartment for two, enjoying an uninterrupted view across one of the loveliest bays in all of Wales, just a short walk down to a spectacular dog friendly beach. Located within the golf club complex the accommodation is completely private and independent, with a newly equipped small kitchen, private terrace and its own designated parking space.

If you're just two good friends or relatives... as well as the comfortable double bed, there's also a pocket sprung sofa bed in the sitting area, so no need to share! You don't have to be a golfer to enjoy *The Bolthole*... boating in the bay, strolls along the beach, great restaurants, the *Wales Coast Path* and a protected area for wildlife are all near at hand...

Dog friendly: You are welcome to bring one well behaved dog to *The Bolthole* but no bowls, etc. are provided, so ensure you bring everything you need. Needless to say... golf club rules apply outdoors... no dogs on the course please! You'll find the beach provides more than sufficient space to run! Your dog is not to be left alone in the apartment.

Great News: Since Easter 2018, the golf club's bar and restaurant have been operated by the management of the highly acclaimed *Golden Lion* pub in the centre of Newport.

Some quotes from our guestbook

On idyllic phew days! So relaxing in this perfect 'Bolthole'. We really appreciate how you have thought of everything. And we don't even play golf!!! We'll be back. *Ginny and Simon.*

What a wonderful apartment this is, stunning views across the golf course and the bay to Dinas Head. It was a pleasure to enjoy this amazing apartment with all its beautiful furnishings. Everyone has made us so welcome and we can see why you have chosen this as your "bolthole". The golf course is excellent, but it's a pity our golf scores didn't match the wonderful views. We would love to come back. Thank you. *Tony and Jan.*

It was a great pleasure to stay here. Absolutely fabulous and amazing flat, area and view. Thank you so much. *Catherine and Dominik.*

Fantastic apartment! Thank you so much for letting us stay. Stunning views of Newport bay and surrounding area. Loved the coastal path walk and the pubs in the town are well worth a visit. Lovely food at the Golden Lion and The Canteen. We've had such fun with our friends in 103 - special times, happy memories. We don't want to leave. *Debbie and Guy.*
