

The background features a light-colored, marbled pattern with soft, flowing veins in shades of grey and white. Overlaid on this is a faint, light-grey grid of squares, creating a subtle geometric contrast with the organic marble texture.

OUR PRODUCTS **NEVER GO OUT OF TREND**

600x600mm. GVT & PGVT

INTRODUCTION

Present the aura of nature in your spaces with its collection of tiles, that seek design and texture elements from nature.

THE COLLECTION

ABSOLUTE COLOR IMMENSE THICKNESS

Every space is different and so is the vision for their embellishment. Now is the time to add versatility and vividness to your surfaces and imprint them with your style of creativity. Spaces tell stories of celebration, togetherness, joy and so more. With varied size options, you have the freedom to play with your ideas and make them alive in your desired space. The collection offering multiple size variants is a visual feast of colors and delightful designs to make your ambiance alluring and inviting.

Adaptable Size

The grand size of the collection is versatile on the contrary and allows one to explore decor ideas and execute them to perfection

Resourceful Application

The multifarious size offers versatile application possibilities for your spaces, furniture, and other tiling needs

Impeccable Lay

The variable sizes under the collection offers a seamless lay for your select spaces with less unflattering grout lines and facilitating a continuous floor and wall.

FINE FEATURES

01

VARIOUS SIZES

You may maintain a delicate balance between the user experience and the building effort involved by choosing from one of our many sizes.

02

PURE HYGIENE SURFACE

With just one swipe, our tiles' incredibly high-quality layer gives you a completely hygienic surface.

03

FIRE RESISTANCE

We offer tiles that won't burn. Due to the material's inertness, a fire won't produce any toxins or volatile organic compounds (VOCs).

04

ABSORB OFF ODOURS

Our tiles have no pores and are water-resistant. They won't collect moisture or soil due to their 0.5% porosity, keeping your home odor-free.

05

TEMPERATURE RESISTANCE

Our tiles are temperature resistant and can withstand high temperatures up to 1600°C.

06

CHEMICAL RESISTANCE

Our ceramic materials have extremely high chemical resistance and stain resistance. The appropriate specified ceramic surfaces from Tree Tile can be installed in almost any commercial setting, including laboratories, hospitals, and processing plants.

07

UV RESISTANCE

Our tiles are low-maintenance, UV-resistant, and able to handle high temperatures.

08

SCRATCH RESISTANCE

Tilers must use a diamond-edged cutter to score and cut the tiles because of the density and extreme toughness of our tiles. This demonstrates how highly resistant our tiles are to fading and other types of damage, including scratches.

09

FREEZE RESISTANCE

Our tiles have exceptional frost resistance due to their high levels of porosity and water absorption.

10

HIGHLY COMPACT MATERIAL

Our tiles are incredibly compact because we carefully pack and assemble all of our products.

11

IDEAL FOR HEATING FLOORS

Our tiles are perfect for heating flooring since they conduct without insulating and heat up quickly.

12

HEATING SUN RESISTANCE

Our tile surfaces prevent burns and marks from occurring. They are heat-resistant, also slow the spread of fire. This implies that a tile cannot emit any smoke or gas.

Inspired by the calmness, vastness, and pure elegance that the shade brings, the white collection is a manifestation of everything that reminds you of tranquility and the opulence achieved in a subtle way.
