Um, sure there's plenty of things out there that we can maybe find or do so. Perfect. All right, Chuck did you have anything on your list that you would like to talk about tonight?

> 34:31 Miriam ODonnell: hesitate to ping me. If you want to, if you want a picture, if you're planning on going up, I'm happy to because right now, I bet you tomorrow. There will be no snow on the ground.

08:02 Lynn B: We can wait another two, three minutes. We didn't really remind everybody about this meeting. So I don't know how many people are gonna have and it's December and everybody's busy.

08:14 Priscilla Frank: I'm not Priscilla.

08:14 Lynn B: Probably should. Huh, you're not.

08:17 Priscilla Frank: I'm not. No. Whatever happens usually when we're

08:23 Lynn B: Yep.

08:23 Priscilla Frank: on Zoomer while these it's always comes up with hers. So, no big deal. Hey. You got my calendars.

08:33 Lynn B: I approve the proof. Yes. Yesterday,

08:37 Priscilla Frank: Okay.

08:37 Lynn B: they sent me the last proof and I know that they should, I was actually kind of expecting my husband to come home with them today. Usually that they're really quick and then they'll deliver them to his work for me. So he did not come home with

08:52 Priscilla Frank: Okay.

08:55 Lynn B: them today. They did not drop them off so I'm thinking tomorrow but then yes I will. I will let you know. I have a couple other people that are

09:01 Priscilla Frank: Okay.

09:03 Lynn B: Looking to pick them up as well, so I'll let everybody know.

09:06 Priscilla Frank: Okay. For Christmas. So

09:07 Lynn B: But hopefully this week. Yeah, I know, I'm so glad I actually had them started and was talking to them about proofs before the fifth. I don't know what I was thinking that the fifth meant that I would have them in my hand. That's totally not true. Although he is really quick about stuff. So he got me to proofs within two days so

09:29 Priscilla Frank: That's good.

09:29 Lynn B: he's been really awesome. Yeah, yeah, I can tell you. Or rather show you the original one was gonna be this big. You see it? I

09:42 Moon Lake: It's kind of.

09:42 Lynn B: hate that.

09:44 Priscilla Frank: That's good. You got your

09:44 Lynn B: It was only gonna be this big, but

09:46 Priscilla Frank: You'll have a Moon Lake background. That's why you got some some beach somewhere.

09:51 Lynn B: Some beach somewhere. Yes. Me wishing some beach somewhere.

09:54 Priscilla Frank: That's fine.

09:57 Lynn B: So this was Thursday that I had gotten this proof from him and was like, How come this isn't a normal size calendar and it was all to do with Canva, but because we get free canva, everything, because we're none for profit. I was able to just go on there and make a couple of clicks. Make a couple of changes so it fit the right size and send him over a new. The right size calendar on Friday and he had be a proof on Monday and Monday. I sent him back. The AOK to print, so.

10:37 Lynn B: So, we should have that in the next day or so. I ordered 35 of them, although I think I only had 28 people that I was I had calendars for so, I will cash your check when I When I take care of, When I take care of those.

10:58 Priscilla Frank: No, big deal.

10:59 Lynn B: It was like cash and now casulator, I need to put it in the account. Let me just so,

11:05 Priscilla Frank: Whatever.

11:06 Lynn B: So I haven't forgotten sitting right here on my desk, so,

11:10 Priscilla Frank: Okay, we blew a bunch of money last night. Ordering for Christmas for my girls. Oh, God.

11:16 Lynn B: Tis the season.

11:19 Priscilla Frank: Turn the timer off.

11:20 Moon Lake: Not doing it.

11:21 Lynn B: All right, so it's 705. Do we want to start and

11:23 Moon Lake: Yeah.

11:25 Lynn B: We'll wait for Chuck to get back at his desk so he can hear us. Or Becca's computer.

11:31 Moon Lake: Priscilla.

11:32 Lynn B: Yeah, Priscilla.

11:35 Moon Lake: I think.

11:36 Priscilla Frank: Priscilla, Chuck Priscilla area.

11:37 Moon Lake: Marathon.

11:38 Lynn B: Or Priscilla. All right. So we'll get started. We didn't have an agenda on mostly because I think we all kind of for forgot that it was sneaking up on us with Thanksgiving and

Christmas around the corner. So, Gingers not on to give us a report but I don't believe any we've gotten deposits from the calendar sales but I believe that's it. She shouldn't have had anything payout payouts aren't due yet? So should be good there.

12:12 Lynn B: As far.

12:13 Moon Lake: Like a like a Verizon that was it a

12:15 Lynn B: We?

12:16 Moon Lake: credit over the winter, didn't that happen? Like years ago that they sent

12:18 Lynn B: I,

12:19 Moon Lake: us a check and it was

12:21 Lynn B: Yeah, that was the middle of that was because it was put in later than this year's was. So she actually got the Verizon check. Before she before, she left for Florida. So,

12:33 Moon Lake: Okay.

12:34 Miriam ODonnell: You know.

12:36 Lynn B: So we had calendars, which I just kind of gave you an update. Hopefully I'll have them in my hands tomorrow and I'll be mailing. Whoever needs to be mailed by Friday and hopes. Most of most everybody that wants them are a day or less away. So should see them very quickly or those who are picking them up, like check, I'll let you know and then

13:07 Lynn B: The one thing that we needed to talk about for sure is waivers are due. If you're gonna do Lake sampling for us this year. Probably should put that on Facebook

13:23 Lynn B: / website somewhere. So whoever Canon wants to I'll make a note. Um we need to put those up so you can fill them out and send them to me because I need to have the Wet sign the copy to send into New York State because we haven't gotten, you know, digital of that yet. So why

13:47 Priscilla Frank: How many sampling? How many samplings

13:48 Lynn B: they?

13:49 Priscilla Frank: are required now?

13:51 Lynn B: I'm not required but we're only doing four.

13:54 Priscilla Frank: oh,

13:55 Lynn B: Because they're free.

13:56 Priscilla Frank: It used to be what that wasn't like 10 or 8. Yeah.

13:59 Lynn B: Eight. Do you speaking? Yeah, we've

14:01 Priscilla Frank: Wow.

14:05 Lynn B: done. We did eight. Three years in a row though. So we have the baseline. And now that New York State is paying for the four. They actually wanted double the amount of money we paid last year for eight samples for just four more samples. So, it made more sense just to stick with the free ones they're doing. They're fine. That eight doesn't really give them any more data than it's worth. That's why they recommend the fort and why they pay for the four. So,

14:32 Priscilla Frank: they spread them out really like, Oh,

14:36 Lynn B: Once a month.

14:41 Priscilla Frank: Hours as opposed to every two weeks or whatever was.

14:41 Lynn B: Yeah, exactly. Yep.

14:41 Priscilla Frank: Yeah. Oh good.

14:41 Lynn B: So it'll be a lot easier to collect even if we don't have a lot of people doing it, you know. One of us filling in once a month, is much easier than trying to do it every other week. So

14:52 Priscilla Frank: I didn't get up there as much as I plan to this year again. So it's like,

14:56 Lynn B: No worries. I get it.

14:58 Priscilla Frank: Yeah.

15:02 Lynn B: So I will get those waivers up. We need to have those in to me so I can send it in at the packet. And they need to be postmarked by February. So we need to work on that January for

15:14 Priscilla Frank: Okay.

15:17 Lynn B: sure. So that'll be on the agenda for January 1st January.

15:21 Miriam ODonnell: Can I? Can I ask a question? Um, So like,

15:24 Lynn B: Yeah.

15:24 Miriam ODonnell: last year, I filled out the waiver but they didn't do a training. so what's the, how is that going to

15:29 Priscilla Frank: I,

15:34 Miriam ODonnell: For folks that haven't been through the training. What is the if they're not going to do a training? How are is anybody supposed to help kind of spread the wealth on this?

15:42 Lynn B: So they did do a training last year, but it was in like Albany or somewhere that way.

15:52 Miriam ODonnell: Oh, okay.

15:53 Lynn B: Yeah. Um so we'll talk to her come June again. Usually she does a

15:56 Miriam ODonnell: Okay.

15:58 Lynn B: training in the area and if we can get her to do it at our lake or one of the nearby lakes, then we'll just let you know when it is or they might

16:10 Miriam ODonnell: All right.

16:15 Lynn B: allow us because last year was the first year, I think I think they go in these cycles. Like there was a time where they allow you to train each other and that was good enough.

16:41 Priscilla Frank: that's,

16:41 Lynn B: As long as you had some one that had been through the training that was training other people and then two years ago, when we all signed up or three years ago, whenever that was They said you had to have the training. And now they're back to not really

16:55 Priscilla Frank: It's a form on the website, the DC

16:55 Lynn B: enforcing the training. So If you're willing to do it, sign the waiver and we can train you and if they have a problem with it we'll just deal with it. I think it'll be

17:10 Miriam ODonnell: Okay, so

17:10 Lynn B: fine.

17:10 Priscilla Frank: website is that form there or where's the

17:10 Lynn B: Um, they send it to us via email. So I'll put a, I'll put it up and send,

17:10 Priscilla Frank: Okay.

17:10 Lynn B: I can send you a specific email.

17:10 Priscilla Frank: Yeah, cuz I have my binding up at camp on all my the protocol and how to do it and all that stuff.

17:11 Lynn B: Yeah, no worries.

17:11 Priscilla Frank: but, It's kind of tedious, but whatever.

17:13 Lynn B: it is, I'm just glad that it's for

17:14 Miriam ODonnell: All right. so, It's probably something we want to maybe post at the beginning of January and just say, Here's a link to the waivers if you're interested.

17:29 Priscilla Frank: Okay.

17:29 Lynn B: Yeah, we're gonna have to probably do it like on our Google drive because they like I said they send the form.

17:37 Miriam ODonnell: Yeah.

17:38 Lynn B: The link is really just to download because you need the require wet. Signatures no, digital signatures. So

17:43 Miriam ODonnell: Right. Right.

17:47 Lynn B: So yes, we should definitely do that post and I'll email it. um, So, that was the only. Other. Oh, the other thing that I haven't done besides reach out to the guy who had started the new Moon Lake Year. Is not answered me back. I'm totally done with that guy. So Chuck, you had

18:15 Miriam ODonnell: so,

18:15 Lynn B: given me the guy that I was going to do the Moon Lake year through the I call it spirit wear because that's what we called it when we were at school and that's first, like, you

18:24 Miriam ODonnell: Oh, got it. Yep, yep, yep. Sorry.

18:25 Lynn B: know what I'm talking about? Um it's okay. So I did email him again specifically asking when he was going to be able to make time for us and set everything up and he never replied to the email. So I've given him many a chances. I'm totally done in moving on. So Chuck did give me a name of someone to check out? I wanted to check out Papa sports as well.

18:54 Priscilla Frank: What to do, what to do.

18:54 Lynn B: And I'm sure. For like the the shirts in the cups

18:59 Priscilla Frank: How?

19:00 Lynn B: and whatever with our Logos on it for

19:02 Priscilla Frank: Well.

19:02 Lynn B: people to buy.

19:03 Priscilla Frank: There's some, I think through Amazon, there's a lot of people in the garden club. He got a shirt made, there's a way to do it that way through Amazon, as long. I forgot how she I gave her the artwork into able to do it that way. So people can order, you know, individually for themselves. If you're gonna pop sports in places

19:21 Lynn B: Mmm.

19:22 Priscilla Frank: like that, it's like You know, he's selling the building. So I even know what kind businesses there anymore. I've been there in years

19:28 Lynn B: I so I know that they like they still do it for the school districts. I

19:33 Priscilla Frank: Right.

19:34 Lynn B: don't know if they're getting away from that too or what. But I figured I would give them a call and see because you know, I know the the school districts getting What they call a kickback but it's really just the fundraiser for part of it and they put the dollar amount on that they want to put on. So I was just going to check. Um I do have a

19:51 Priscilla Frank: Yeah.

19:53 Lynn B: couple of contacts, it still do that for the school district because they're all PTO programs that they

19:58 Priscilla Frank: Right.

19:58 Lynn B: raise money that way through. So I

19:59 Priscilla Frank: Yeah. For my business.

20:01 Lynn B: figured I can check with them.

20:02 Priscilla Frank: We had, we had a tape there for doing embroidery, but nothing with cheap, like it cost me like, charge with the

20:09 Lynn B: Yeah.

20:10 Priscilla Frank: tape originally, I think it was 50 or 60 bucks.

20:13 Lynn B: Well yeah, embroidery is expensive

20:13 Priscilla Frank: You know, that's right.

20:17 Lynn B: part of that. So I get it. But we'll,

20:20 Priscilla Frank: And we can put that our own and you can heat transfer him. To do it. You can do it with a lady with a color inkjet printer.

20:28 Lynn B: Yeah, they just don't last as long, or at least they didn't the last time I tried that. So,

20:33 Priscilla Frank: They get better ones. It's the

20:34 Lynn B: Do they?

20:35 Priscilla Frank: transfer is the transfer paper. Yeah, by the better stuff.

20:37 Lynn B: Okay. Well, it's been a while since I did it. Oh could just be that, that was

20:42 Priscilla Frank: So that I gave you that was from the

20:44 Lynn B: the technology of the time, you know? So

20:53 Priscilla Frank: guy at Fulton I was from an ad. But That's amazing girl up on their

20:53 Lynn B: Okay.

20:53 Priscilla Frank: business and whatever.

20:56 Lynn B: Yeah, I'm gonna check them out. So um

20:58 Priscilla Frank: Yeah.

20:59 Lynn B: I have about two weeks off from work for Christmas and New Year break. So I'll plan on doing some checking in there. So Yeah. So, I'll check around on that and see

21:09 Priscilla Frank: Walking in.

21:10 Lynn B: what what I can find and what we can do to make it easy for people to order. so, um, I'm thinking. I feel like that. We really didn't have anything else from last time.

21:32 Moon Lake: oh, so I know I got I got

21:34 Lynn B: Oh, high yield savings.

21:36 Moon Lake: Yeah. So most of the online companies like those new Google app, they're just super easy. Don't love not for profits and don't multiple users but the Delhi does

21:50 Lynn B: Oh yeah.

21:51 Moon Lake: It's a DP job. so, It's on.

21:56 Lynn B: Oh my God. Really?

21:58 Moon Lake: It's free. It can use, it uses the tax ID of Moon Lake. Multiple people

22:02 Lynn B: Nice.

22:03 Moon Lake: can do it and just keeping the money in there. Not even investing it is like 4.5% interest.

22:07 Priscilla Frank: Yep. It's a money market account. They're all around.

22:10 Lynn B: That's awesome.

22:10 Miriam ODonnell: Wow.

22:11 Moon Lake: Yeah, so it's it's good. I just have to do the application which I finally got a couple days ago and I got stressed out by it because it was 15 pages. So it's not like

22:23 Lynn B: I totally get it.

22:24 Moon Lake: Yeah, but

22:25 Lynn B: Well, you know what, we'll just just

22:26 Moon Lake: Yeah.

22:27 Lynn B: plan for that to be one of the projects at the first of the year. Not not before Christmas, no reason

22:32 Moon Lake: It's moving, because

22:34 Lynn B: to stress yourself out about, you know, this time of year.

22:36 Moon Lake: Oh yeah, that you know.

22:38 Lynn B: In pages is quite a bit.

22:39 Moon Lake: It's crazy. But yeah. So who do we want on the account? Ginger obviously.

22:45 Miriam ODonnell: I would think it would be the three

22:46 Priscilla Frank: If you want three people because it

22:46 Moon Lake: Yeah.

22:48 Lynn B: oh,

22:49 Priscilla Frank: gets up to happens.

22:52 Miriam ODonnell: officers the yeah. Press Vice

22:52 Priscilla Frank: Right. Yeah.

22:55 Miriam ODonnell: President secretary

22:57 Priscilla Frank: Because every time we change with the garden club, I have to go the letter to the bank and have their ID. It's

23:04 Lynn B: it's

23:05 Moon Lake: But no cool. Cool.

23:05 Lynn B: It's painful. Painful.

23:08 Priscilla Frank: You know as well, it's protect you

23:08 Lynn B: Yeah, that's what I remember.

23:11 Priscilla Frank: too, that's the biggest problem. It's you know.

23:11 Lynn B: Yeah. That's awesome.

23:18 Moon Lake: I called their literally, no cons. Only prose so great and that did

23:24 Lynn B: Awesome.

23:26 Moon Lake: email Jonah from ESF. I think

23:28 Priscilla Frank: so,

23:28 Moon Lake: yesterday or the day before like

23:31 Priscilla Frank: Here four weeks. Now, all these

23:31 Moon Lake: anything from us any updates that kind of thing? I haven't heard back yet. so,

23:35 Lynn B: okay, I was going to say I haven't seen any email from them, so

23:39 Moon Lake: No, I think they had a lot of legwork to do like research wise and reviewing our lake management plan and the Hyde Lake one that I gave them. It was like what the gold

23:47 Lynn B: Yeah.

23:48 Moon Lake: standard. So

23:51 Lynn B: Perfect.

23:53 Moon Lake: The temperature.

23:53 Lynn B: and I think they're close to Christmas break at this point, so if

23:58 Moon Lake: Right.

23:59 Lynn B: they're not already on it, so,

24:03 Priscilla Frank: schools get four weeks off. It's like

24:04 Moon Lake: Now.

24:05 Lynn B: Yeah, I know, but they don't go back until like the week after. Thing New Year's, let me name all of the holidays before I get to the one that I meant to say. So I think it's

24:17 Priscilla Frank: Yeah.

24:19 Lynn B: usually around the 10th of January that they get back. So um,

24:25 Moon Lake: I got two more things, um, the grant

24:27 Lynn B: Yeah.

24:28 Moon Lake: that we applied for haven't heard anything, but I'm still waiting for them to open up the 2025 letter of

24:34 Priscilla Frank: High Presidency.

24:35 Moon Lake: inquiry grants. So when they finally do the date, we can just apply for

24:37 Lynn B: Perfect.

24:39 Moon Lake: it, just for fun, right? And then if

24:40 Miriam ODonnell: Money.

24:41 Lynn B: Yep, why not?

24:42 Moon Lake: you saw that email from and

24:46 Lynn B: Is it? The Dec one?

24:47 Priscilla Frank: Reaction. Yeah. And

24:50 Moon Lake: Was holding up there. Bring up. Vanessa. Yeah, the Dec one where we have to do, like a bunch of pre-work to start working for grants for 2025 season.

25:01 Lynn B: Oh yay. No I didn't. I didn't really read it because I was like Hey didn't send email? Probably not for me.

25:09 Moon Lake: Yeah, you read it. It's a light reading. What the links lots of things to do but it really points us in a direction for DC grants.

25:20 Lynn B: Yeah, maybe we can get someone on

25:23 Moon Lake: Yeah.

25:25 Lynn B: Our. Facebook Page or something, to take that over and do that for us, you know? Some people just like one specific thing. Maybe that would be

25:35 Moon Lake: Grant person like,

25:38 Lynn B: There was a Grant writer.

25:40 Moon Lake: Yeah.

25:41 Miriam O'Donnell: I thought, Yeah.

25:42 Lynn B: That's John Sebek. We have his email.

25:50 Moon Lake: We could point pointedly just send them an email and say Hey we have this could you help us?

25:58 Lynn B: We could. But he did specifically say If you need grant writing done.

26:03 Moon Lake: Well.

26:03 Lynn B: He would do it.

26:05 Priscilla Frank: Super.

26:08 Moon Lake: I mean, it would inevitably lead to grant writing for the DZ

26:12 Lynn B: Right.

26:14 Moon Lake: but like I did the great part of it for That.

26:19 Lynn B: Because he's legal. He's a, he's a legal guy. That's the reason why I don't think he wants to get bogged down in the crap. If he has the information, he needs to write a write the grant, then he's happy to do it. But I don't know if he wants to do all the other. Maybe he does, it's worth an ask. We can send him an email and ask them say, you know, maybe for that email to him and say, Hey, you know, you had mentioned that you would be willing to help us out. Is this something that you this task would be something that you'd be willing to do for us.

26:49 Moon Lake: Girl.

26:50 Lynn B: and if he answers, Yes. Then awesome. And if he doesn't answer or says no, then we can put it on Facebook.

26:58 Moon Lake: We got things.

26:58 Lynn B: To our group of people.

27:00 Moon Lake: Yeah. Okay.

27:01 Lynn B: Maybe worth it, maybe worth a shot people that, you know, when there's specific things, Oh, I can do that.

27:06 Moon Lake: Right.

27:07 Lynn B: You know, unlike Hey can you volunteer and help us with that. Beneath thing is more like, You know, to do that. so,

27:17 Moon Lake: Right. Maybe. Okay.

27:32 Lynn B: Perfect. Anything else on your list?

27:32 Moon Lake: Nope, that was all on it.

27:32 Lynn B: Okay, Miriam, do you have anything on your list?

27:32 Miriam ODonnell: I don't, I did say that in at some point. I would take a look at Additional vendors to get off of Cafe Press, and get on something. That's a little bit more reasonably priced. But that was before, I got asked to pick up a third team because of somebody going out of maternity leave. So I've been kind of buried. I'm actually working right now. So I do have some time off in between Christmas and New Year's. Um, I'm taking a little over a week off.

28:04 Miriam ODonnell: so, I might I'll put that on my list to at least Update you guys as to whether or not, I was able to find anything that looks a little bit more interesting.

28:15 Lynn B: Well, why don't we talk during that

28:15 Miriam ODonnell: um,

28:16 Lynn B: timeframe because though that's, um, Papa sports in that other, one that Chuck had sent over is the same idea.

28:23 Miriam ODonnell: Yeah.

28:24 Lynn B: So, before you go doing too much

28:24 Miriam ODonnell: Yeah.

28:28 Lynn B: research, when you need the time off

28:29 Miriam ODonnell: oh, I was thinking that what I would

28:31 Lynn B: in the break,

28:31 Miriam ODonnell: do it to be honest with you, what I was thinking I would do is give my niece Ali a little crack on the behind and say, Hey, you have Moon Lake tattooed on the side of your on this bite of your body and you think that you're going to, you're like a positioning to take over the the camp when I get to elderly and infirm at my advanced 55 years that maybe

28:56 Priscilla Frank: if they're playing their trust, but in the trust,

28:59 Miriam ODonnell: Yeah, I'm just gonna say if I'm gonna get off your good, I actually I do need to, That's that's on my honey do list for next year, is to figure out like, how I want to. Protect the asset. But anyway, I'm I'm thinking that I might ask her to do. Let her fingers, do some Internet walking and figure out, You know, Is it Threadless or, you know, like What, what's, what are all the cool hip kids doing and see if she can

29:24 Lynn B: Right.

29:25 Miriam ODonnell: come up with something that's in? I mean, the bottom line is that they're they cost nothing. Um, Other than the effort to actually get them initially set up. I just think Cafe press. I mean they had a hoinky system and then they made it absolutely worse and then screwed up all the pricing like in years,

29:44 Lynn B: Right.

29:45 Miriam ODonnell: everything doubled in price, it's ridiculous.

29:48 Lynn B: Yeah.

29:48 Miriam ODonnell: so,

29:49 Lynn B: Yep, I definitely think it's time for us to find something else and

29:53 Miriam ODonnell: Yep.

29:54 Priscilla Frank: so, it could

29:55 Lynn B: What that ends up looking like, you know, who's to say, but I'm not stuck with the way it used to look or what Cafe Press offered. Um, sure there's plenty of things out there that we can maybe find or do so. Perfect. All right, Chuck did you have anything on your list that you would like to talk about tonight?

30:20 Priscilla Frank: No, I just the thing about the chemical treatment. That's where you're trying to get grand money for down the road to do the treatment.

30:28 Lynn B: Well. Yeah, I mean there are there are things that cost us money yearly so

30:35 Priscilla Frank: Right.

30:35 Lynn B: you know, raising money in general to have money in the coffers for whether it's chemical or for ESF whatever they come up with for us that would make sense for our lake to get it

30:52 Priscilla Frank: more than say,

30:52 Lynn B: clean and Added in the right direction. You know, it can be a number of things, it could be one thing. You know, we just have to start somewhere and fundraising a little at a time makes it easier.

30:59 Priscilla Frank: Oh yeah, now those things are huge. It's like, Collect the community Foundation like Saginary, Cascade Community Foundation. I think there's one up in Watertown and you something, you got a mind those

31:09 Miriam ODonnell: Okay.

31:10 Priscilla Frank: because there's grants there that people certain requests, but if they don't know, you're exist, then sometimes, you know, I even in there your picture. So I don't much about

31:18 Lynn B: yeah, and those

31:19 Priscilla Frank: the Water Community Foundation. So,

31:22 Lynn B: those are all the things that it's helpful for, you know, the gathering of the minds together like Oh what what about this and oh, you know,

31:31 Priscilla Frank: Welcome. I have time I'll look into that. See what?

31:34 Lynn B: That would be awesome.

31:34 Priscilla Frank: Their priorities are, you know, because people grissy, what people. If you don't have, it's a good legacy because that money always keeps it, it just stays there other than the earnings and that's where they make the grants from. So, It's a legacy that goes on forever.

31:51 Lynn B: That's awesome.

31:51 Priscilla Frank: Both, you know, either one-time Grant, you're done, you know, they don't sometimes I don't care anymore. So

31:58 Lynn B: Right.

31:59 Priscilla Frank: Yeah, almost Indian river lakes has

32:01 Lynn B: Yeah.

32:06 Priscilla Frank: done very, very well. I was reading their whole history again it's like The thing is prospered, like way beyond his body is expectation.

32:10 Lynn B: Yeah.

32:11 Priscilla Frank: so,

32:12 Lynn B: Maybe that'll be us.

32:13 Priscilla Frank: Well, or you know, things get merged in, they become bigger by having just like You know, Moon Lake is part of that within them, you know?

32:24 Lynn B: Yep.

32:25 Priscilla Frank: Because no, I don't see a lot of people jumping on our bandwagon.

32:32 Lynn B: Not yet. Still working on it.

32:33 Priscilla Frank: No. And there's what Randy camps on the lake. You know.

32:37 Lynn B: Yeah, they're there. Yeah there's 80 to 100 of like actual camps and then

32:40 Priscilla Frank: Yeah. Right.

32:44 Lynn B: another 40 or so pieces of property that bought up to it.

32:48 Priscilla Frank: Right.

32:48 Lynn B: so, Okay, well it's 7:27 if nobody else has anything.

32:57 Priscilla Frank: No.

32:59 Lynn B: okay, well then Merry Christmas. Happy New Year.
