- OUR STORY -

Yesenia and Jose, the founders of Stay & Play Game Cafe, first met at college and quickly discovered several shared similarities: Big Loving Families, Pride in their Puerto Rican Culture and Appreciation of Good Food and Games with Friends.

We have cherished our family game nights and special tournaments. We have found board games to be a wonderful way to spend time together and build the foundations of cooperation, friendly competition, and critical and creative thinking.

With more than 700 board games ranging from classics to contemporary titles, a collection of global rums and some of our favorite Puerto Rican food, we are excited to bring our unique social blend to the community. We want Stay & Play Game Cafe to be a place where acquaintances, colleagues, friends, families, and loved ones can also build wonderful memories.
