Beehive A's—The Model A Club of Northern Utah

Beehive A's is a Chapter of the Model A Ford Club of America

Message from the Board

Thank you to the club and board members in supporting me as your president. I know the next board will be great, and they already have some great ideas to implement for the next year.

Please help your board out and help them fill the newsletter editor, historian and the MAFCA information person as well. Please help keep the club thrive and continue for the next generations to come. We have gained quite a few new members and lost some really good members this past year.

Many ups and downs this year. Please keep everyone in your hearts and thoughts for this holiday season. I want to wish everyone a Merry Christmas and Happy New Year. I hope your next year is a safe, healthy and good year.

Thank you.

After she had attended one of his exhibits in Manhattan in 1925, she commissioned Linder to paint the entire Ford family. The artist painted multiple portraits of Henry and Clara over the years, this one included. (From the collections of The Henry Ford)
