MESSAGE FROM THE BOARD

Hello Beehivers!

As we gear up for a fantastic new season, your board has been hard at work finding better ways to keep our members connected and informed. We are thrilled to announce the launch of our brand-new club website! This site will serve as a central hub for our newsletters, tour schedules, and technical resources, making it easier than ever to preserve our Model A heritage together.

We'll be hosting a special walkthrough of the new site at our next club meeting to show you how to navigate its features and get the most out of this new tool. Whether you're looking for the latest 'want ads' or checking the date for our next garage day, the new digital home of the Beehive A's is designed with our community in mind.

We look forward to seeing everyone there and continuing to grow this great club together.

—The Beehive A's Board
