# Fact Sheet: President Donald J. Trump is Accelerating Medical Treatments for Serious Mental Illness

The White House

April 18, 2026

**REMOVING BARRIERS TO PSYCHEDELIC DRUGS AS POTENTIAL TREATMENT FOR SERIOUS MENTAL ILLNESS:** Today, President Donald J. Trump signed an Executive Order that will accelerate access to treatments for patients with serious mental illness, reaffirming his commitment to advancing solutions that provide hope to Americans with devastating, complex, and treatment-resistant conditions.
