Newsletter June 2018

WATER RESTRICTIONS STILL IN EFFECT

To ensure that we are able to continue to provide clean, safe drinking water, the board has decided to continue current water restrictions.

No Outside water use is allowed.

This includes, but is not limited to, outside watering, car washing, and hot tub or pool filling.

We appreciate everyone's efforts
to conserve water.

Hydrant Flushing

We may perform limited hydrant flushing this year on Tuesdays in June:

6/12, 6/19, and 6/26/18

This may cause cloudy or slightly discolored water along with increased air bubbles while the flushing is being performed. If your water is cloudy, running the water at your largest faucet will clear it. Although the water is very safe to use, the District suggests that laundry should not be done on the days listed below as it might result in discoloration.

Contact the Water District immediately in case of a water leak.

P.O. BOX 710 • 4491 PARMALEE GULCH RD.

IHWD Board Members

Five board members were recently elected and took the oath of office at the May Board meeting.

Sam August	President	2 year term
Dave Mosby	Treasurer	4 year term
Marianna Kristoff	Secretary	4 year term
Craig Levy		2 year term
Scott Ryplewski		4 year term

We welcome the new board and look forward to working with them over the next few years.

Randy Evans 45 years with the District

April 1, 2018 was Randy's 45 year anniversary with Indian Hills Water. Randy was recognized at the May meeting for his 45 years of hard work. He was presented with a plaque to show our appreciation.
