## Frequently Asked Questions 2021 Board of Directors & General

### The Board and Community Involvement

**How do I find out about water board meetings?** Board meetings take place on the third Thursday of every month at 6:30pm. Annual Board meeting dates, along with agendas and meeting minutes, are posted here: <https://indianhillswater.com/board-of-directors>. The meeting dates and times are also posted at the District building, on the bulletin board.

**What can I do to get involved? (attend meetings, volunteer, etc.)** The Board has a customer/audience comment period at every meeting, where they and District employees listen to customer's comments, concerns, and questions. Customers hear about every part of the District from finances, to operations, and Board items. There have also been opportunities for community involvement through committee groups, which has proven to be very valuable for the District. (e.g., nitrate committee 2018).

**Do our Board members get a salary?** Board members receive \$100 per meeting for up to 15 meetings per year. All additional time spent is not paid. These are largely volunteer positions.

**Where do I get answers to my questions?** The best way to get answers to any question is to contact us at the office. Our website also has a wealth of information for our customers which we are happy to help you navigate.

**Besides attending meetings, how else can I get involved?** We appreciate participation in any subcommittees that are formed in the District. You can also attend Fire Department meetings, as there are some crossover topics that involve both Districts. We appreciate attention to Jefferson County topics that will affect the District and attendance at their monthly Board meetings.
