

# HR & Payroll Together. Simple, made possible.

## **More than just payroll**

Busy employers, like you, are demanding their payroll providers do more than solely provide paychecks for their employees. Employers need comprehensive human capital management (HCM) solutions that integrate multiple human resource business functions into a single source, automate procedures in order to increase efficiencies and, ultimately, save businesses money.

Human Resources

Whether you're needing to do more with less resources or to super-charge collaboration and trim away inefficiencies, NCR's Human Capital Management (HCM) platform can help. Workforce Today is a cloud-based, user-friendly solution that makes processing your payroll easier than ever before. With it, you have time tracking, human resources and benefits enrollment, all within one source. No more duplicate data entry or exporting and importing between disparate applications.

We provide this transformational HCM technology, all while providing white glove service. Regardless of how many locations you have, or your number of employees, we process your payroll with accuracy and handle all the reporting and filings.

## The tools you need

---

Our cloud interface options are designed to help employees stay informed while providing them with high-level information and statistics in addition to providing simple user-friendly graphs and charts for the executive team. Workforce Today's Employee Self-service improves engagement and satisfaction with simple benefit updating and tax updates as well as access to time off balances, pay history and open enrollment.

The Executive Dashboard provides the tools you need to be a great leader. Develop your employees better with access to reports that allow you to dynamically analyze your workforce. The analytics compiled will also assist you with fiscal year planning.

Our combination of the technology and the expertise you need to manage your employees.
