Dear Parents, Community Members, and Supporters,

As dedicated members of this community, we take great pride in providing our students, athletes, and residents with a safe and high-quality space for sports, events, and recreation. Our main gymnasium has served as the heart of our school and community gatherings for years, but it is now in need of essential maintenance. The last time the gym floor was repainted/resealed was over 15+ years ago and it is now time to do the process again. We are excited to announce that Lake Preston School will undergo a significant renovation of our gymnasium this Summer and Fall.

To preserve and enhance this vital facility, we are launching a **fundraising and advertising project to resand, repaint, and reseal our main gym floor**. This project will enhance the functionality, aesthetics, and overall experience for our students, athletes, and community members who utilize the space.

We are reaching out to you—our valued community members and taxpayers—to ask for your support. Our goal is to raise **\$100,000** to cover the cost of these necessary improvements. Every donation, no matter the size, will help us achieve this goal and make a lasting impact on our school and community.

How You Can Help:

- **Mail a Check:** Lake Preston School, Attn: Gym Renovation Project, 300 1st St. NE, Lake Preston, SD 57042
- **Sponsor a Section of the Floor:** Businesses and individuals can sponsor sections of the gym floor (see attached documentation) and be recognized for their generosity.
- **Spread the Word:** Share our fundraiser with friends, family, and local businesses who may want to contribute.

Your support will help us restore our gym to its full potential, ensuring it remains a place where students can compete, families can gather, and our community can come together for years to come. If you have any questions or would like more information, please feel free to reach out to us.

Thank you in advance for your generosity and commitment to our community. Together, we can make this project a success!

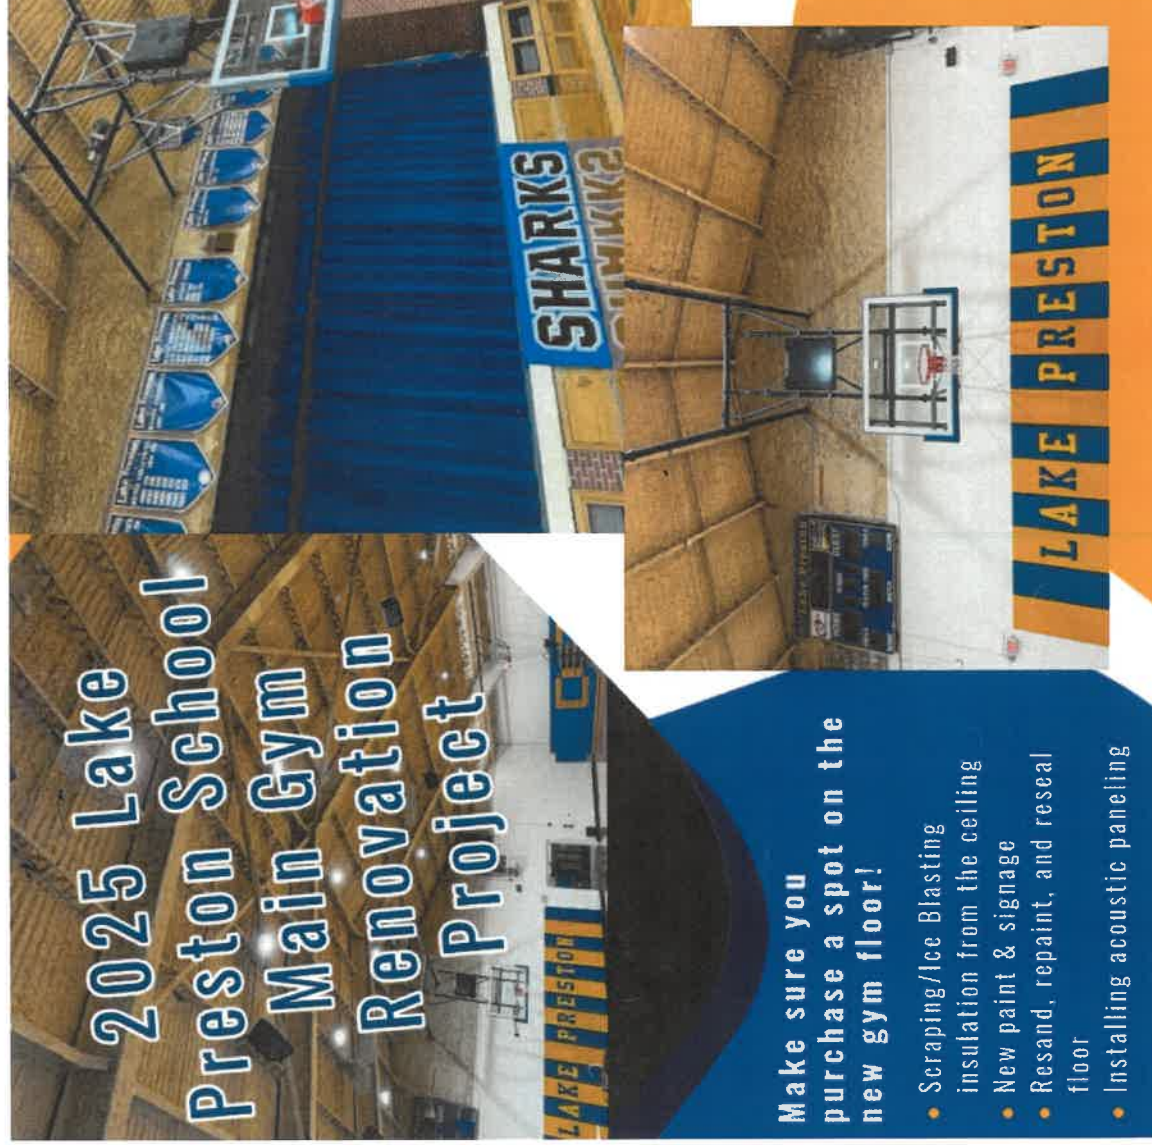

Sincerely,

Mr. Dana Felderman
