The determination of the best setting for care on a temporary or permanent basis shall be discussed with the Resident and their family.

If Resident chooses, Manager will provide personal care, nursing and medical care to Resident in the Living Accommodation, as needed, through home health care professionals who are qualified and licensed to do so. The fees for such services are described in the fee schedule for home health services.

If Resident finds that nursing care is required, a determination to either obtain those services within the Living Accommodation for an additional fee, or move to the Center or another qualified facility will be made through discussions with the Resident, Resident's family and physician along with consultation with management.

Resident acknowledges that Center is not designed to care for persons who are afflicted with psychiatric disorders, contagious diseases, conditions related to drug and alcohol abuse, or other conditions that skilled nursing centers are not licensed or otherwise qualified to treat. Resident's right to

obtain such services at the Community Rates shall continue only so long as this Agreement remains in full force and effect.

Notwithstanding Resident's transfer to Center or an alternative facility, Resident shall continue to be responsible for payment of the Monthly Services Fee unless and until Resident's Living Accommodation is sold and vacated.

C. Payment for Other Medical Services.

1. Medical Services and Supplies. Other than as specifically provided in Sections A and B above, Resident shall be solely responsible for the cost of all medical services and supplies, including, without limitation: personal physician services, private duty nursing, inpatient and outpatient hospital services, laboratory and diagnostic services, audio logical tests and hearing aids, eyeglasses and refractions, dentistry, dentures, dental inlays and oral surgery, orthopedic appliances and other durable medical equipment, physical therapy, podiatry, professional care for psychiatric disorders, treatment for alcohol and drug abuse, and renal dialysis, and other similar services.

1. Resident shall pay Manager monthly an amount determined by Manager and as outlined in the Service Plan allowing for all Resident requested services ("Monthly Fee"). Resident's initial Monthly Fee for the Living Accommodation shall be that fee in effect on the occupancy date. The Monthly Fee will include the condominium fee allocable to residence.
2. Right to Adjust Fees. Not more than once each calendar year, Manager may make reasonable adjustments to the Monthly Fees to permit Manager to maintain the highest quality of service to Resident. Adjustments to the Monthly Fees may be made more than once per calendar year in the event the condominium trustees determine that the portion of the monthly fee allocated to the condominium requires funding in order to pay Manager's operating expenses.

No change in the Monthly Fees shall be effective upon less than thirty (30) days advance written notice to Resident, except as may be provided in the Condominium documents.

3. Monthly Statement. Manager will present Resident with a detailed billing statement which will include but not be restricted to:

- c. Any credits to Resident for the preceding month;
- d. Additional charges to Resident for special additional services rendered during the preceding month;
- e. Any other amounts due Manager under this Agreement.

IF Resident FAILS TO PAY THE AMOUNT DUE WITHIN TEN (10) DAYS OF RECEIPT OF THE MONTHLY STATEMENT, MANAGER SHALL HAVE THE RIGHT TO ASSESS A LATE CHARGE EQUAL TO ONE HUNDRED DOLLARS (\$100.00). FIFTY PERCENT OF THIS WILL BE PAYABLE TO CONDOMINIUM TRUSTEES. IN ADDITION, INTEREST ON THE LATE PAYMENT WILL BE CHARGED AT THE RATE OF 1.5% PER MONTH OR PORTION THEREOF. IN THE EVENT RESIDENT MAKES LATE PAYMENTS FOR TWO (2) CONSECUTIVE MONTHS, OR ANY THREE (3) MONTHS WITHIN A CALENDAR YEAR, THEN MANAGER SHALL HAVE THE RIGHT TO TERMINATE THIS AGREEMENT PURSUANT TO ARTICLE IV.C AND TO DEDUCT SUCH OVERDUE AMOUNTS PLUS INTEREST AND LATE CHARGE FROM SALE PRICE OF CONDOMINIUM.

B. Financial Inability to Pay

1. Manager's Policy. Without in any way limiting the right of the Manager to terminate this Agreement as set forth in Article VI.C below, if the sole reason for Resident's failure to pay the Monthly Fee, or the amounts payable by Resident under Article IV. or any other amounts due to Manager under this Agreement (collectively referred to herein as the "Resident's Fees") is due to insufficient funds due to circumstances beyond the control of Resident, the failure to make such payments will be reviewed by the Executive Director and two other appointees (the "Financial Review Committee") with Resident or his/her representatives. If Resident presents to Manager facts, which in the Financial Review Committee's sole opinion, justify special financial consideration Manager may, but shall not be obligated to do so, partly or wholly subsidize Resident's Fees; provided

however, that such subsidy will not impair the ability of SP Condominium to attain its objectives while operating on a sound financial basis. SP Condominium reserves the right to establish conditions to any such subsidy.

2. Resident's Responsibility. It shall be a condition of receiving a subsidy that Resident shall warrant and represent to Manager and SP Condominium that he or she has not made any gift of real or personal property or investment in contemplation of the execution of this Agreement or during the term of this Agreement. During such time as Manager shall subsidize or defer Resident's Fees, Resident shall also, from time to time as requested by Manager, provide Manager with personal financial statements and copies of Resident's tax returns.
3. Recovery of Subsidy. Upon termination of this Agreement, SP Condominium and the Manager shall have the right to recover against Resident or Resident's estate, upon sale of their unit, the aggregate amount of the Resident's Fees that have been subsidized or deferred by SP Condominium or Manager, together with interest on the amount of the subsidy at an annual rate equal to the prime rate as published in the Wall Street Journal on the effective date of termination plus one percent (1%). Such amounts may be deducted from the amount of any proceeds from the sale of the Living Accommodation that may be payable to Resident or to his or her assignees or to Resident's estate under the terms of this Agreement.
4. Financial Assistance. If Resident's resources are inadequate to meet his or her financial obligations to SP Condominium and Manager, Resident shall make every reasonable effort to obtain all available financial assistance. Resident agrees not to make any gift of real or personal property or any investment subsequent to executing this Agreement that may materially impair Resident's ability, or the ability of his or her estate, to satisfy the financial obligations of Resident under this Agreement.

- C. Termination. Notwithstanding the foregoing, the Manager shall have the right to terminate this Agreement or restrict Resident's access to services or use of the social and other facilities owned and controlled by Manager within the Condominium if any amount due under this Agreement remains unpaid for more than sixty(60) days after written notice of nonpayment; provided, however, that all amounts which a Resident is obligated to pay under this Agreement shall continue to accrue until a Living Accommodation is resold and the Manager shall have the right to receive reimbursement for all such accrued amounts (together with interest on such accrued amounts at the rate set forth in this Agreement for late payments) from the proceeds of any sale of a Living Accommodation.

VII. TERMINATION BY DEATH

- A. If Resident is one individual, this Agreement shall terminate automatically upon the death of Resident, except that Resident's obligation to pay the applicable

Condominium portion of the Monthly Fee, shall continue after the date of death until the Living Accommodation has been sold, at which time the Condominium portion of the Monthly Fee shall no longer be due.

- B. If two persons have entered into this Agreement, upon the death of one Resident, this Agreement shall remain in effect as to the survivor. The surviving Resident shall thereafter pay an adjusted Monthly Fee based upon single occupancy of the Living Accommodation.
- C. Upon the termination of this Agreement, Manager will be released from any and all obligations to Resident.
