

AGM Minutes 26/1/2020

2019 Review

10 events were planned for 2019, 9 took place and counted to championship points, one cancelled due to weather.

Joint trial with P&D at Padley Wood was a success and will be repeated in 2020

New site for 2019 at Darley Dale was a success so we will be returning and adding a new site at Tickhill, this will replace Worrall.

Dinner dance was enjoyed by all, hoping to go again, KM spoke to Mark Limer about a deal.

2020 Plans

When a member attends 4 trials they will get a free meal at the xmas party and their +1, to be discussed by committee nearer the time

MSA have bought in a new ruling that all competitors and passengers/Navigators will need need a licence.

MSA has increased the cost to put on a trial, this means the cost of each trial to members has increased from £25 to £30.

Points scoring has been changed to make a more even playing field throughout the season, and not let a competitor run away with a lead.

The layout of a sections has been altered, flags have been switched left to right to bring us in line with other clubs

Randoms groups and running order will still continue to be drawn out of the bag.

Clarke of Course will be whoever has set the trial, these have all been allocated, Clarke of course will automatically get 10pts for that trial.

Website

Hoping to get a website up and running this year. HG to head this task

Money

Club is doing ok for money, took a slight loss on trials last year, this was due to giving free trial. This is to be discussed in the future if this will happen again.

Membership

Currently have 27 members,

Paying in Jan is working well, any new members from now on will pay for the trial and get free membership.

Renewal letters have been sent, KM to send reminders.

Election

Role	Committee Member	Proposed by	Seconded by
