Classes Offered

- CNA Certified Nurse Assistant Program
- HHA Home Health Aide
- BLS Basic Life Support for Health Care Providers
- CEU Continuing Education

Certified Nursing Assistant Program (CNA)

The Certified Nurse Assistant
(CNA) training program is designed
to prepare students for state
certification with the Department of
Health Services (DHS).

The CNA program consists of
63 hours theory and 104 clinical hours
of practice in a long term care facility.
The clinical experience, presided over
by an instructor, maintains a small
class of 15 students or less.

CNA Fees and Charges

Registration (non-refundable)	\$ 200
Tuition Fee – Includes book, uniform, & lab equipment	1350
Total Charges	\$1550

Does not include physical exam, TB
test, live scan, CPR or state exam.
Contact CalWORKS regarding free
training or tuition reimbursement.

Home Health Aide Program (HHA)

The prerequisite for the Home
Health Aide Course is CNA. The
program contains 20 hours of theory
and 20 hours of clinical practice.
Building on the CNA framework, it
presents basic concepts of home care
nursing including light housekeeping,
preparing meals, vital signs, and
personal care. The clinical
experience, presided over by an
instructor, maintains a small class of
15 students or less. CEU credit: 26

HHA Fees and Charges

Registration (non-refundable) \$ 150
Tuition Fee includes book \$ 450
Total Charges \$ 600
(**\$100 discount for former CNA students**)
Does not include physical exam, TB test, live scan, or CPR.
Contact CalWORKS regarding free training or tuition reimbursement.

Basic Life Support (BLS)

5 hours CPR & AED for adult, infant, and child. CEU credit: 5.

BLS Fees and Charges

Tuition & registration fee \$ 90

Continuing Education (CEU)

Provided to CNA and HHA for certificate renewal.

Visit the school for fees and charges.

Admission Requirements for CNA & HHA

- Must have a valid California, (USA) ID and Social Security card (original copy)

- Must be at least sixteen years old with guardian's approval, eighteen without.
- Must pass a physical exam and have TB test to be performed by his/her physician.
- Must complete a live scan (finger print).
- Must be able to read English at least at the fifth grade level
