into the world, to testify to  
the truth. Everyone who  
belongs to the truth listens to

Tammy's Touch

Charlie Kirk...

One moment living life doing what he loved to do, what he thought was important, using his gift for cogent and engaging debate about truth to help his generation think more clearly about important issues, living life with purpose.

The next moment entering eternity and the very presence of our Savior Jesus Christ. He never knew that this very moment for him had arrived. He was merely doing what he knew to do: living life with purpose.

May his legacy to us be a reminder that we too never know when that moment will arrive for each one of us. But may that moment find us as it did Charlie: living life with purpose.

"The Lord will fulfill His purpose for me; Your steadfast love, O Lord, endures forever..." Psalm 138:8
