Tammy's Touch

As you open your eyes this morning and go about your day, I hope your Spirit will awaken to the world around you and the unique call God has placed on you.

I woke up feeling “blah”- like it was just another day to get through.

But God reminded me it's not.
And now I want to remind you.

Today is an invitation to partner with God and make a difference in this world.

Even if what lies on your schedule feels mundane- it's not.

If you're willing to let Him shake things up a bit, He will use you today in the most random, unexpected ways.

Who knows what He has planned?

Life with God is not boring. He didn't make us just to get by on autopilot.

Be awake, be alert, and be obedient to His nudges.

This is the day the Lord has made.

And He wants us to be present for it.
