A Message From Our Minister

Dear Exeter church family,

Bette and I want to thank all of you for your prayers, cards, calls, texts, emails and all-around support during our time dealing with my (Ron's) cancer diagnosis. At this point biopsy samples have shown cancer in the lung and right hip. Other tests remain ahead of us.

Special thanks to Doyle Thomas for altering our bed for easier access, Michelle Thomas for house cleaning and caring for the dogs while we were gone; to Zack Ludden for filling the pulpit and Rick Wall for taking care of Bible classes; to Sally Wall for doing the church bulletin in a professional way and to Rick Rossner for posting this online. And, certainly, we are thankful to our elders for addressing this situation and the unexpected issue of the coronavirus as it relates to the well-being and future of our church family.

We are also grateful for being on the prayer lists of other churches in Exeter and their offers of assistance as needed.

Of course our family in the flesh has been encouraging and helpful (especially grandson, Mark, who had two weeks of overnight stays while we were gone) with various home tasks too.

Our plans for treatment and schedules continue to evolve (with some influence from the coronavirus) as we move forward. But one thing is certain: we feel the providential, hidden hand of God has been behind so many happenings and interactions--with medical personnel and others. We firmly believe that God is bringing about good things (whether we see it now or later) for those who trust Him according to His will.

We love you and may God continue to bless,

Ron & Bette Hull
