Dear Lord,

*In the coming year, please help me  
to be strong and compassionate.*

*I ask that you watch over myself  
and all the people I love.*

*I ask that you bring peace, health, joy, and security  
to those who need it most.*

*Let their joys and successes of the past year, become  
fond memories forever.*

*Help the pains and sorrows to fade away.*

*Most importantly, help others to find faith in you,  
Lord Jesus Christ.*

## Tammy's Touch

There once was a country rabbi who left his home for the long trek to the city. On the way he became a bit disoriented and lost, when suddenly he was confronted by a Roman soldier. "Halt!" The soldier said, "Who are you and where are you going?" The rabbi paused for a moment and then asked the soldier "How much do they pay you to stand here and ask those questions? "Two denarii,". He replied. "Sir, I will pay you double if you will stand at the door of my home and whenever I go out you ask me those same two questions."

Who are you? Where are you going? Good questions for all of us.

May the peace of our Lord rest upon you and your household.
