## Prayer Requests & Updates

**Reed Shackelford** is requesting prayers. His lungs keep filling up with fluid. On October 4th (His 94th Birthday) he will have a tube inserted to drain the fluid. He will also, hopefully, find out if he has cancer. We definitely need to keep our Senior Saint in prayer.

We need to keep **Ron Marks** in prayer for a full recovery on his foot. It is doing well, hopefully the cast will be removed.

Sergio is requesting prayers for his sister **Gloria's Family**. They are struggling with their mother's death.

Please keep **Reva Thompson**, and the family in prayer, she is failing fast and she is not expected to be with us much longer.

Please keep **Barbara, Manor House Manager**, in prayer, she fell and is pretty sore at this time.

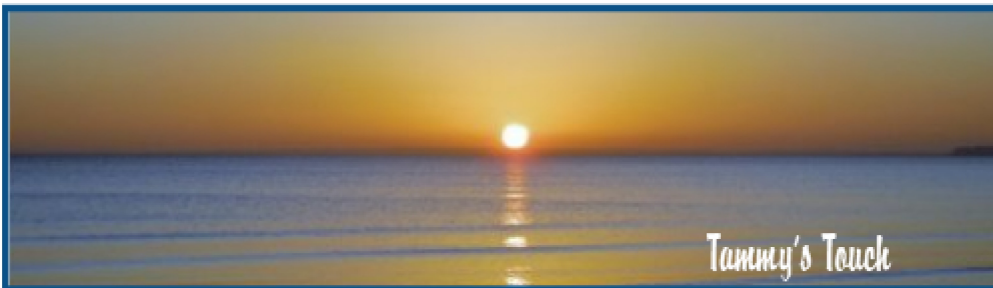

Please keep in prayer **Misty Stevenson**, Darlene's friend, that had baby **Magnolia** at 24 weeks. This little miracle is a fighter and is holding her own.

**Max Lucado** announced he has been diagnosed with an ascending aortic aneurysm and asked for prayer, the latest update is that although it is serious, on the advise of his doctors they will keep a close eyes on it and he will continue with his work schedule and fully rely on God.

**The Ministerial Association is once again providing Baskets for the needy. We are again providing the Cranberry Sauce. If you want to donate toward the Cranberry see Richard or bring in cans yourself.** 

**A new date has been set for the Voices IV Quartet** to sing at the Blackstone Church of Christ, in Tulare. It will be November 12th at 7 PM. They will be singing a 17 Song Program. Please come and support Blackstone and The Voices IV program. It is free and it will be a good night of praise.

### Your Commitments Shape Your Life – Rick Warren

Your commitments shape your life more than anything else. Your commitments can develop you—or they can destroy you. But either way, *they will define you.*

Tell me what you're committed to, and I'll tell you what your life will look like in 20 years. You become whatever you're committed to.

It's around the idea of commitment where most people miss God's purpose for their lives. Many people are afraid to commit to anything, so they just drift through life. Others make half-hearted commitments to competing values, which leads to frustration and mediocrity. Others make a full commitment to worldly goals, such as becoming wealthy or famous, and they end up disappointed and bitter.

Every choice has eternal consequences, so you need to choose wisely: *"Since everything around us is going to melt away, what holy, godly lives we should be living!"* (2 Peter 3:11 TLB).

The first wise decision you need to make is to follow Jesus. You don't have to understand all the implications of that decision when you make it. You simply need to respond to his invitation and make a commitment to follow him.

Then, as you follow Jesus, commit to the things that build a holy, godly life. Christlikeness will come from making Christlike commitments.
