Our Food Pantry continues to provide for others. Non perishable donations to build it back up would be greatly appreciated. At this time, more than ever before, there is a great need for any assistance that we can provide for those less fortunate.

# Let Your Light shine

***"...let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Matthew 5:16*** *** There are special people in this world that need to be commended for their good deeds. They serve God by lovingly serving others.

Norma Jean Hall was born in Exeter. She has spent most of her life here aside from living in Fresno in the 1960s for a few years. After her father died when she was eight her mother returned to be near family. She married her husband, Jack, and they celebrated 53 years of marriage on September 15th. They have two sons that both live in Exeter. Norma worked at Jostens in Visalia for over 40 years as a group leader in the camera department and said that she enjoyed her career there. Her husband Jack worked at Diamond International and then at Sequoia Pacific in Exeter for over 36 years. Long term commitments run in this family.....Hazel Smith is Norma's aunt and encouraged her to go back to church with her. They attended the Church of God until Hazel moved into the Manor House and then they became part of our church family. Norma said they made that move in large part to Pastor Ron and to the many ways he supported them through Jack's illness and his gentle spirit and wonderful stories. We miss you Norma and look forward to seeing you after the quarantine is lifted.
