Tammy's Touch

Borrowed and so powerful!!!!

What would it look like if the disciples valued worship and community like many believers do their church gatherings?

Peter - "My mother -in-law came in for the weekend."

Andrew - "I was up kinda late last night."

James (the son of Zebedee) - "Really needed some 'me' time."

John - "I was there last week. Besides, I'm not really being fed."

Philip - "Finally had a sunny day to hit the lake."

Bartholomew - "Had brunch scheduled with my Uncle Zed."

Thomas - "I doubt it would have been any good today."

Matthew - "I had to get my taxes done."

James (the son of Alphaeus) - "My dad (Alphaeus) wanted to fish today."

Thaddaeus - "The kids needed a rest day."

Simon - "I didn't hear my alarm. Because I didn't set it. Because I don't have one."

Judas - "Getting tired of hearing the same old message."

Going to church is not about checking a religious box off your "make God happy" list. It's about being invested in the lives of others. Participating in the mission of the gospel. Loving and being loved.

Following Jesus was never meant to be a solo experience. Pull up a seat at the table. It is a level table and there is room for all of us...The Praying Mama
