Message From Zach

Be loving.

Ask the Lord how you can demonstrate His great love for us by helping those who are at risk or in need, in the name of Jesus. We often talk about missionaries being the hands and feet of Jesus. The Coronavirus pandemic is a reminder that all believers are called to do the same.

Rejoice.

We are reminded in the book of James to rejoice in trials and times of trouble. Remember, Jesus told His disciples that we will experience trouble in this life. While others despair, however, we are called to rejoice. We understand that tribulation works patience and that the Lord works all things, including the Coronavirus, together for good for those who are called according to His purpose.

Don't be afraid.

People are dying in large numbers as the Coronavirus threatens mankind. The writer of the book of Hebrews tells us that the world is afraid of death. He also tells us that Jesus gave Himself as the sacrifice for our sins and to remove the fear of death that holds the world in bondage.

Let Your Light shine

"...let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Matthew 5:16 *** There are special people in this world that need to be commended for their good deeds. They serve God by lovingly serving others.

Jean & Debbie Lillich – We want to say thank you to Jean and Debbie Lillich in our family. These two ladies work at the food closet every week as well as help with the Neighborhood Market food distribution at Exeter New Life Church. They are also regularly spotted at the Manor House bringing food donations! Thank you to each of them for letting their lights shine in our community and their faithful service to our church family….
