Prayer Requests & Updates

Larry Thompson, had his surgery and Doctors said it went very well. He Will be down for a couple of weeks, but is doing well.

Melvin and Pat Nalls - Melvin's mother had a massive heart attack and was unconscious for quite a while. She has not regained consciousness and the doctor told them that the prognosis is poor. Please keep the family in prayer.

Ron Marks, had another surgery on his foot. The doctor wants to be asured that no more issues will develop with his foot. He is to stay off of it for a while in order to heal correctly. Please pray for a full recovery.

Sergio Cercado, is consulting with doctors about treatments for his back. He is now waiting to get an MRI for determination on how to proceed.

Toby Kelley, received good news that she has no cancer. She is dealing with severe stomach issues. She will continue to be treated with very aggressive medication that can cause severe reactions. Please keep her in prayer for a speedy recovery.

Ida Mae Ayers, Surgery is scheduled for May 27th to remove a growth in her brain. Pray she makes it safely until that time. They are confident seizures will terminate with the procedure.

A sad note, one of our pillars of the church has left us. **Reed Shackelford** is on his way to establish permanent residence in Idaho with his daughter. Reed and Peggy were a large part of this congregation and he served as an Elder. It was rather sudden, we were in hopes of being able to give him a nice send-off, but he even rushed the time and left on Tuesday. He is still keeping his residence here so I am sure his mail will be forwarded. We can send him a card and let him know he will be missed.

Motherhood is a tapestry
of last time, letting go moments.
Breathe deep. Without the last times
there wouldn't be the first times.
They don't stay small, they don't stay little.
They just don't. My oldest is grown, left the
nest. And I've learned something about time.
They don't need us lamenting the last times
because for them the last time
are their first times
Love the moments,
and their firsts,
and the last
and all the minutes in-between.
Those moments are what makes a life.
