Prayer Requests & Updates

Ida Mae Ayers, is doing well, had her follow-up with her neurosurgeon. The dressing was removed revealing 25 stitches. She has orders to take it easy for the next month when she sees her surgeon again. The Ayers advised that this has been a difficult time for them and they appreciate all the support and meals that they have received, but more than that, knowing they have a community and church family to hold them up in their most difficult times has been a blessing beyond measure.

Sergio Cercado, was to have an MRI and it has been postponed until the 30th, after the MRI they will determine the course of treatment.

Vicenta Cercado, Sergio's mother was diagnosed with gangrene on her toe. They will be amputating in the near future. They have identified another toe on the opposite foot starting the same condition, the consequence of poor circulation. She and the family need prayers as they deal with this situation. Please keep them in prayer.

Cynthia Brumm, is requesting prayers for a safe travel for her son and his family as they come to California for Scott's Celebration of Life. He should be here in the next couple of days. Cynthia was admitted to the hospital and has now returned home. This is a very difficult time that requires prayer.

Ron Marks, had his skin grafting, it went well and the doctors are pleased with his progress. Please pray for continued full recovery.

Brenda Plumlee, has really had a struggle. After open heart surgery, she required a pacemaker and now she was admitted to the hospital with a large intestine infection. Please keep her in prayer for a full recovery.

Alex Best, requested prayers, he is back in Mexico doing some more work. Alex goes with church groups to help people with repairs or construction.

Tammy's Touch

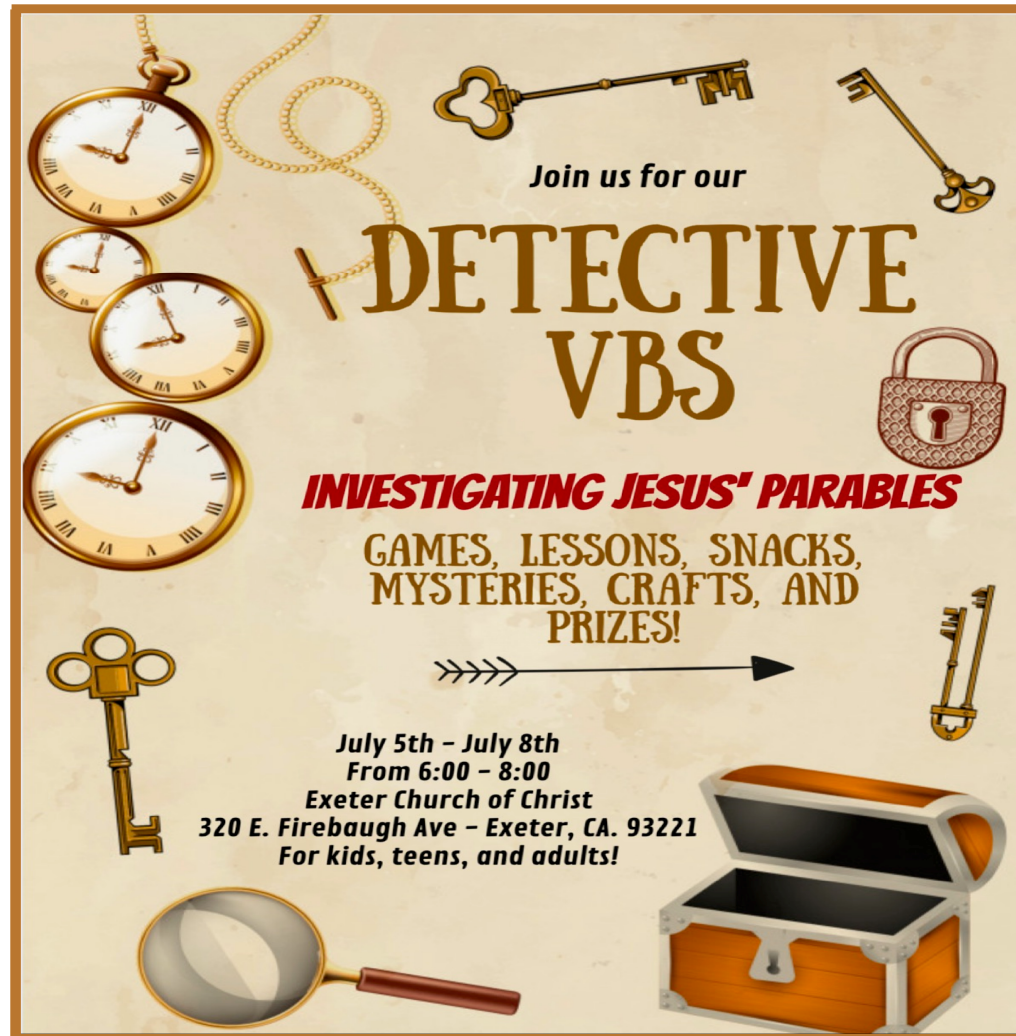

Jesus Spread Happiness...

Jesus was accused of much, but he was never described as a grump or sourpuss or self-centered jerk. People didn't groan when he appeared. He called them by name. He listened to their stories. He answered their questions. He visited their sick relatives, and he helped their sick friends. He fished with fishermen, he ate lunch with the little guy, and he spoke words of resounding affirmation.

Jesus went to weddings. He went to so many parties that he was criticized for hanging out with questionable people. Thousands came to hear him. Hundreds chose to follow him. They walked away from careers to be with him. His purpose statement read "I came to give life with joy and abundance" (John 10:10 The Voice).

Jesus was happy and wants us to be the same.
