Father

Today we think of our nation's independence. The ability that we have to worship you freely, openly, and without the threat of persecution. We ultimately thank You for bestowing that freedom on us as a nation. May we use that freedom to help lead others to the true freedom that comes from knowing Your Son, Jesus, our LORD. May we forever praise and honor Your name.

Amen.

Prayer Requests & Updates

Sergio Cercado, had his MRI and will be referred to pain management, with his injury surgery would not have a positive outcome.

Vicenta Cercado, Sergio's mother was diagnosed with gangrene on her toes. They will determine the course of action, the consequence of poor circulation. She and the family need prayers as they deal with this situation. Please keep them in prayer.

Amanda is a good friend of Clemencia, Dolores' sister. Clemencia is asking for prayers for Amanda, her husband passed away this last week.

Vera Rascon & Ramos Family, dear friends of the Cercados need prayers, Vera lost her mother last week.

Cynthia Brumm, is now looking for someone that can drive her car and take her to medical appointments and to visit her mother.

Brenda Plumlee, is home from the hospital and her daughter is there caring for her. She is starting a new medication and is having a difficult time breathing. Many prayers are still needed.

You are invited to join us every Thursday Morning @ 8 AM at RJ's., 81 West Putnam, in Porterville. This prayer group was started by Marshall and Rick took it over several years ago. Because of covid, we were unable to meet. We are meeting once again. It is just a great time for remembering people that need prayers and meeting together as Christian friends. We would love to see you there.

A mentor of mine used to remind me that whenever you preach the gospel, you always begin by preaching to yourself.

Preaching to myself tonight, & to anyone else who could use a reminder.

Keep going.

Keep learning.

Keep forgiving.

Keep trying.

Keep listening.

Keep speaking.

Keep loving.

Keep showing up.

Keep making it right after getting it wrong.

Keep hoping.

Keep breathing.

Keep getting back up.

Keep going.
