Anybody can thank God for the good things. But when you can thank God even in the bad things, your faith grows...
Rick Warren

Hebrews 13:16 - Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God.
Our Food Pantry continues to provide for others. Non perishable donations to build it back up would be greatly appreciated. At this time, more than ever before, there is a great need for any assistance that we can provide for those less fortunate.

Let Your Light shine

"...let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Matthew 5:16 *** There are special people in this world that need to be commended for their good deeds. They serve God by lovingly serving others.

Jeannie Sorci is relatively new to our church family. She moved to Exeter from Campbell after the company she worked for was sold and she was in search of more affordable living. She loved her job as a "Senior Synchronous Backbone (Infrastructure) Network Engineer Analyst"and she "was good at it". I challenge you reading this to sit down with her and let her tell you what that job entailed. It is quite impressive! The move and changes have been a big transition for her. She visited churches and settled in with us over a year ago after visiting one Wednesday night. Impressed by Ron's teachings she kept coming back. She is faithful to be here when the doors open and is willing to help with events in the kitchen and in any way she can. She attends a Women's Bible study each week and enjoys listening to praise songs. A few of her favorites are Chain Breaker, Way Maker and Every Praise. She also studies many styles of eating to learn from them and is an herbalist, using herbal tinctures and oils, vitamins and supplements for healing from conditions and illnesses. Welcome Jeannie to our family! We love getting to know you...
