## Prayer Requests & Updates

We need to keep **Ron & Ruby** in prayer. Ron is having some issues dealing with medical issues and Ruby is trying hard to keep him in line.

**Emma Kate Rossner, Rick's granddaughter** is dealing with a severe case of Covid, we need to keep her in prayer for a full recovery and the family in prayer for strength to get through this.

**Pat Nalls** is requesting prayers for **Henry Ferguson (Alice's Husband)**.

He is now dealing with pulmonary fibrosis (scarring) from past leukemia treatments and age-related problems. Although his condition is acute, he is doing better. He continues to need our prayers.

Please keep **Zack's Uncle, Steve Carter**, in prayer, he has been dealing with Covid.

Please keep in prayer **Misty Stevenson**, Darlene's friend, that had baby **Magnolia** at 24 weeks. This little miracle is a fighter and is holding her own.

**Max Lucado** announced he has been diagnosed with an ascending aortic aneurysm and asked for prayer on social media on Monday. He is a great man that has made a tremendous contribution in spreading the word of God.

**Cynthia Brumm** Would like to thank everyone for their prayers and wants us to know that she will be moving to Fresno. She will be near her daughter and is moving into a care facility that will assist in meeting her needs. She will miss everyone and will be leaving October 1. She is also requesting that we continue to pray for her mother who will be 100 in December.
