Our Food Pantry continues to provide for others. Non perishable donations to build it back up would be greatly appreciated. At this time, more than ever before, there is a great need for any assistance that we can provide for those less fortunate.

# Let Your Light shine

***"...let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Matthew 5:16*** *** There are special people in this world that need to be commended for their good deeds. They serve God by lovingly serving others.

**Steve Ooley** has been a part of our church family since 1960. His parents, Arlan and Mary moved here from Indiana (twice)! They were home sick for Steve's family and moved back to Indiana for six years but moved back to Exeter in 1970 and stayed. Steve and his father opened a Volkswagen repair shop in Exeter in July of 1970 and together they ran it until Arlan's health declined and Steve took over the helm until he sold the shop in 1995.

Steve is a car buff and raced dune buggies for over thirty years in local and desert races. As a semi-professional racer, years ago he spent one-month racing in Wisconsin, Illinois & Iowa. He also loves flying and has logged hundreds of hours, acting as the co-pilot to locations all over the country.

In 1985 Steve joined the Lions Club and has been an active member ever since. He works all the fundraisers, including the annual fireworks show in Exeter and has made a lot of friends and assisted the Lions Club in serving our community. Over the last couple of years, he has also helped the Ladies Auxiliary in decorating the Manor House for Christmas. Thank you, Steve, for your many years of service to our community and our church family.
