**Barbara Bream** – Chronic medical issues.

## Tammy's Touch

To the Mothers and all the women who have cared for us.

To the Grandmothers, the spiritual mothers and the waiting mothers.

To the foster moms, the single moms and the stepmoms.

To the mentors, friends, guardians and guides.

To those who loved us, taught us and showed us the way.

To those who carried us, held our hand and watched us grow.

To those who experienced blessing this year and to those who went through loss.

To the heroic women all around us . . .

We want to say, THANK YOU. Thank you for your courage, your kindness and your faith in God

Thank you for shaping us, nurturing us and walking with us through life...

Thank you for showing us what it looks like to love and follow Jesus.

Thank you for your prayers, your wisdom and for never giving up on us.

Thank you for boldly stepping into this high and holy calling

Thank you for the long nights, the short years and the incredible joy

Whether this is a day of reflection, rejoicing or remembering, we acknowledge you, we honor you and we thank you today.  
**Happy Mother's Day!!!**
