Tammy's Touch

Here are my Top 10 Thoughts on Having a Great Week!

1. Focus on what you have, not what you don't have
2. Focus on improving yourself, not on improving others
3. Put energy into what you can change, not what you can't
4. See challenges as opportunities, not obstacles
5. Don't spend all your energy at work, save some for home
6. Pray when you are tempted to worry
7. Listen for a God "ping" and follow through on it no matter how small
8. Encourage everyone around you
9. Remember there is never a down side to having a great attitude
10. Rejoice, God gave you another day to live. Make the most of it!

Now let's go out and have a great week! Shane L, Bishop
