Tammy's Touch

Thinking about gratitude...and humility.

Gratitude is the simple act of being thankful for what you have and not being consumed by what you don't.

Humility is the realization that anything good in your life has been made possible by the contributions of others and the blessing of God.

Staying in an attitude of gratitude and humility is the antidote to pride and entitlement.

It is also the key to a joyful and blessed life.

Prayer: Almighty God, thank you for the blessings in my life and all who have made those blessings possible. May I find my contentment in you. And most of all, thank you for Jesus, in whose strong name I pray... amen!
