June 2026

Hello Residents! The annual Summer Festival hosted by The Hunt Club Park Community Association is around the corner on Saturday, June 20th from 10:30 am - 1:00 pm at Elizabeth Manley Park. This year we are also celebrating Ottawa 200. Ottawa 200 celebrations highlight the city's origins, beginning with the founding of Bytown in 1826. In celebration of Ottawa 200, we have included new events to showcase Ottawa's history and beginnings. This year we are pleased to announce all events are free! HCPCA gratefully acknowledges the financial support of the City of Ottawa.

We have a horse-drawn wagon ride, bouncy castle, face painting, Little Ray's Reptiles, a fire truck, and mermaids. City Staff are opening the wading pool early for everyone to enjoy and cool down. Pathway Patrol is there to share tips on bicycle etiquette and safety on our community pathways, and the Ottawa Public Library's reads on Ottawa's history, while our local community police mingle with with residents.

The 137th Ottawa Scouts Group will be there to serve-up hot dogs, s'mores, and drinks. The Karate Fit, from the mall, provides a demonstration of their moves. Our local South-East Ottawa Youth Education Centre have games and sno cones! We look forward to seeing you there!

Share the Road: Ottawa Police highlight e-scooter safety

It is summer and the Ottawa Police Service (OPS) is reminding e-scooter riders and the public about safety rules and tips:

- Ride in bike lanes or on the shoulder of a roadway, not on sidewalks. If riding on sidewalks, riders are subject to a \$150 fine
- You must be at least 16-years-old to use an e-scooter
- If under 18-years-old, you must wear a helmet. All riders are encouraged to wear helmets and bright and reflective clothing.
- E-scooters must have a bell or a horn, a white light on the front of the e-scooter, and a red light on the back (to be turned on at dusk).
- The same rules and fines apply for operating a vehicle on the road. Do not drive distracted and do not drive impaired.
- E-scooters are designed for one user at a time. You cannot have a passenger.
- E-scooters are not permitted on NCC cycling paths or in the ByWard Market.
- Drive safely and slow down near e-scooters
- Provide e-scooters with the same 1-metre distancing rule required for cyclists.
- Be courteous and avoid driving through puddles near e-scooters.
- For more information, please visit the City of Ottawa e-scooters web page.

ASE Camera Replacement Measures for Blohm Dr

Through the Province's Road Safety Initiatives Fund, the City is proposing traffic-calming measures at former Automatic Speed Enforcement (ASE) camera locations and surrounding areas. For Blohm Drive, the conceptual plan includes four sets of speed cushions between Lorry Greenberg Drive and Woodbury Crescent. The proposed locations are approximate and may be adjusted during the detailed design stage. They can be viewed on my website at www.gloucestersouthgate.ca. As always, I welcome your feedback and look forward to hearing your thoughts.

New Fitness Equipment in Calzavara Family Park
