## Return to Community Policing

The Hunt Club Park Community Association and its resi-

dents had their say on policing at the December 6, 2018 Community Safety meeting hosted by Councillor Diane Deans

at the Greenboro Community Centre. Their message to Mayor Jim Watson, Councillor Diane Deans, Police Chief Charles Bordeleau, MP David McGuinty and MPP John Fraser was loud and clear – return to community policing with sufficient budget and resources to keep city and residents safe, and, push for action that will get guns off the streets.

## Lets Grow the Neighbourhood Watch program in Hunt Club Park

Hunt Club Park residents are partners in keeping the community safe. Neighbourhood Watch (NW) is a program where neighbours watch out for neighbours. A program where you learn how to make your home less of a target for thieves, and learn how to recognize and report suspicious activity in your neighbourhood to the police. If you are interested in setting up a NW on your street, please contact the Hunt Club Park Community Association at [HuntClubPark@gmail.com](mailto:HuntClubPark@gmail.com)

# IMPROVING SAFETY IN THE COMMUNITY

## Traffic Calming Measures in 2018

As you walk, cycle or drive through the streets of Hunt Club Park, you will see a range of permanent and temporary traffic calming measures put in place to reduce speeding and improve driver behaviour. Some examples worth highlighting are measures located in Hunt Club Park's school zones, near pathway entrances, and on main entrances to our community. In the school zones, seasonal flex-stakes, pole mounted speed display boards, traffic calming signage, and pavement markings are in place. Near the pathway entrance on Blohm Drive, between Picasso Drive and Winnegreen Court, a pedestrian crossover was installed. To slow traffic on Johnston Road, a digital speed display board was set up between Ewing Street and Cellini Court.

## Current Traffic Concerns

Over the last few months, Hunt Club Park residents identified new traffic concerns on Karsh Road, Johnston Road at Ewing Street, Johnston Road at Cellini Court (south entrance), and Hunt Club Road between Esson Street and Blohm Drive. These traffic concerns will be reviewed by City staff over the next few months to determine the extent to which a traffic calming measures are required. The

Association will keep the community updated on progress and results of the review.

## Voice your Traffic Concerns

If you observe additional problem areas where traffic calming measures could make a difference, share your observations and concerns with Councillor Deans at a monthly Community Association meeting. These meetings are held on the last Tuesday of every month (except for July, August and December) at 7 p.m. at St. Thomas More School on Blohm Drive. If you cannot attend a community meeting, you can share your traffic concerns by contacting Councillor Deans' office by phone at 613-580-2480 or by email at [diane.deans@ottawa.ca](mailto:diane.deans@ottawa.ca). ## DIANE DEANS

Councillor/Conseillère, quartier Gloucester-Southgate Ward

# Hello Hunt Club Park Residents!

I hope that you are all keeping warm and staying active this winter season! As your City Councillor, I am pleased to once again provide you with important information affecting our community.

## International Women's Day Breakfast: March 8, 2019

For the past 22 years, I have been honoured to host my annual International Women's Day breakfast to celebrate and recognize the accomplishments and achievements of women across our city. It is an event that I always look forward to and one that means a great deal to me personally. This year, I am excited to have Sharon John and Jodi Mosley as my keynote speakers. Both Sharon and Jodi work to educate residents of Ottawa about Human Trafficking, an issue that disproportionately affects women.

For event details or to make sure you are on my invitation list, please contact my office at 613-580-2480 or by email at [diane.deans@ottawa.ca](mailto:diane.deans@ottawa.ca).

## Karsh Park and Dossetter Park Replacement

I am very pleased to let Hunt Club Park residents know that both Karsh Park and Dossetter Park have completed the redesign process for the replacement of their play structures. Tenders for both projects will be issued shortly with installation taking place this spring/summer. Timing and the construction schedule is subject to final 2019 budget approval, weather, and procurement. Updates on the project will be available on my website.

If you would like more information on the designs please contact my office at 613-580-2480 or [diane.deans@ottawa.ca](mailto:diane.deans@ottawa.ca).
