

2022/23 Horizon Huskies Girl's Basketball Parent Meeting

<http://ladyhuskyhoops.org>

Fees

- Athletic fee must be paid to the bookstore before an athlete can play or be issued team gear.

Parent Expectations

- Players getting to practice on time and also being picked up on time.
- Support (i.e. attending games, having positive conversations about the team and player performance, praising hard work, and reinforcing the fact that everyone is a part of the team regardless of points scored).
- Completing student release & student self transport forms.
- Reinforcing the school's alcohol, drugs, and tobacco policies.

Practice

-Practices are mandatory, not optional. Coaches should be informed of a player missing practice at least a day in advance, unless there is an emergency. If a player has an unexcused absence, their playing time will be effected!

Playing Time

-Playing time is based on skill, work ethic and effort, attendance and performance in practice, and the ability to run plays. Freshman vs JV vs Varsity.

Problems

-Players are expected to talk to their coach if they have any problems (i.e. playing time). If there are still problems after a player/coach meeting, then we can set up a parent/coach meeting. Before and/or after a game is not an appropriate time to talk to coaches about an issue.
