

Who are the District 30 Umpires?

Little League District 30 Umpires is a group of like-minded individuals who are passionate about, enjoy umpiring, and want to provide a high-quality service to their community. We believe in the values of Little League: Courage; Character; Loyalty. Because we strictly umpire baseball/softball for our local Little League International district, we are a 100% volunteer umpire unit (we do not get paid). Through our local work and regional training, we have opportunities to be selected to even umpire at the Little League Regional and World Series levels.

Who do we umpire for?

District 30 Umpires service the 10 Leagues with the California Little League District 30: Anaheim Hills; Memorial Park; Northeast Santa Ana; North Sunrise; Orange; Santiago; South Sunrise; Tustin Eastern; Tustin Western; Villa Park

How do I become a district umpire?

The first thing you need to do is contact us and express your interest. We have local monthly meetings (see our calendar), all are welcome. As we are a 100% volunteer unit, there are no fees to being a district umpire.

What experience do I need?

Most of our umpires come from our local leagues and have been umpired before. We suggest that you start at a local league, but there is no real experience needed. Contact a local league for information on their umpiring program.
