To The Applicant:

1. You understand and accept that compliance with the Guidelines, Protective Covenants and approval by the 6000 Penn Board of Directors do not necessarily constitute compliance with the provisions or building and zoning codes and laws of Oklahoma County (the building ordinance of Oklahoma County requires that you file plans with the building inspector at his office for construction requiring a building permit). Further, nothing herein contained shall be construed as a waiver or modification of any said restriction and/or requirement.
2. You understand and agree that no alteration shall commence until written approval of the Board of Directors has been returned to the applicant/homeowner. If unapproved alterations are made prior to receipt of the approved Application, or in addition to those outlined in the application description, the homeowner may be required to return the property to its former condition at the sole expense of the homeowner. The homeowner will also be required to pay all legal expenses incurred.
3. You understand that the members of the Board or their representative are permitted to enter upon the homeowner's property at any reasonable, pre-arraigned time for the purpose of inspecting the proposed project site(s), while the project is in progress, and upon completion of the project, as necessary. Such entry does not constitute trespass.
4. You understand that any approval is contingent upon construction or alterations being completed in a workmanlike manner.
5. You understand that the alteration authority granted by this application may/will be revoked automatically if the alteration requested has not commenced within one hundred eighty (180) days of the approval date of this application and completed by the date specified by the Board.
6. If you disagree with this decision, an appeal procedure is provided by the Board of 6000 Penn. A verbal request for an appeal must be made within forty-eight (48) hours of receipt of the Board's decision, followed by submitting a written request within five (5) business days. If you have any questions or concerns about this application, contact the 6000 Penn office at the address/phone listed.

Additional instructions for the Applicant/Homeowner:

1. Please consult and/or review the Declaration Guidelines for specific details required for each proposed change.
2. Provide all required details on attached sheets (copy of plat, sketches, scale drawings, photos, catalog illustrations, architectural plans, sales pamphlets, etc.). Indicate on a plat the location of you proposed structure or change, if applicable.
3. For changes in paint color, attach a manufacturer's sample, indicating the manufacturer's name, and proposed vendor's name.
4. Photo of front or back of property where modification is desired.
5. Indicate a desired start date and an estimated completion date, based on the date of the Board's approval.
