PRESIDENT'S 2020 MESSAGE

January 2020

Dear Members and Friends of the Donauschwaben!

My wife Caroline and I hope you had a wonderful Christmas and are looking forward to what lies ahead in 2020. We wish everyone good health and happiness in the New Year. Prosit!

As I look back at 2019, one thing in particular caught my attention. It was the generational shift that is now well underway. By that I mean the steadily declining number of our oldest generation who are attending club functions. Their legacy lives on in each and every one of us however we can all be proud of the fact that our organization is doing well despite this generational shift and is looking to the future with optimism.

Indeed this past year was a very good one for our club as we had excellent turn-out for most dinners. Equally important was the success we've had in the kitchen despite the absence of Frau Martini. There's just so much to do in procuring, preparing and serving food at our many events and it took quite a few members to step up and make it happen. I would especially like to commend Kim Walter for her efforts in this regard but clearly there are many fine member volunteers doing many good things for which we are all most grateful.

Let me also take a moment to shine some more light on another area we're quite happy with and that's our young people. They have been stellar and do everything from assisting with food preparation to serving and cleaning up at each and every dinner; they participate in all of our cultural programs and festivities; they dance with our dance groups and serve in numerous positions on our committee both here at our club and at the national level; they even ensure the timely arrival of the Easter Bunny! Best of all, they do these things with a smile and a kindness that warms the hearts of all of us. They are our ambassadors of good will and the future of our club.

The upcoming year will be a busy one for our club. We have a full schedule of events for 2020 including a trip to Cleveland for this year's Treffen in September. Did I say "Treffen"?! Indeed I did and the New Year will see planning and organizational work shift into high gear as we work toward our 2021 Trenton Treffen. Much more information on this big event will be made available as the year progresses. At the same we'll be looking for ways to restart our German language school and address some of the clubhouse maintenance issues. Anyone with questions or suggestions regarding any of the above should contact me at your earliest convenience.

As I wrap up this message for the New Year, let me take a moment to remember those members who've gone to their Eternal Reward in 2019 including my parents, Josefa & Sepp Brandecker, as well as Tony Walter, Elvira & Hans Annasenz and Michael Cramer. Let me also recognize the many members who suffered the loss of loved ones this past year or who are struggling with health issues. May the Lord bless you one and all.

I would like to thank our partner organizations including the Philly Donauschwaben, the UGH and the German American Society for their friendship and cooperative spirit. I'm grateful to my committee for their hard work and to all of you, dear members and friends, for your support throughout the year.

Danke schön! I look forward to another great year at the Donauschwaben! mit freundlichen Grüßen, Joseph Brandecker

P.S.—Vice President Dennis J. Bauer and the rest of our Club Officers/Staff also want to wish everyone a Happy and Prosperous 2020 New Year.

****March Note: We wish all our members and friends a big "Be Safe and Healthy" during this 2020 Covid-19 Pandemic ****

**Congratulations to...
the new Mr. & Mrs. Glenn
Scheideler—**

As many of you know, Luisa Martini and Glenn Scheideler's wedding day was scheduled for this past Saturday, April 4. Unfortunately the pandemic got in the way, but they had a private "virtual" wedding and are now officially husband and wife. The Wedding celebration/reception will take place in November. Congratulations to Luisa and Glenn and their

families! Thank goodness for "zoom"! **

2020 Annual Business

Meeting

Our 2020 membership business meeting was held 26 January 2020. A good crowd attended as we discussed the past events of the 2019 year and what we were planning for the year 2020. A meal was provided to those that attended.

As we all know the Spring dinners were later cancelled due to the Corona Virus outbreak. **

MEDICAL BREAKTHROUGHS

Heinrich Hermann Robert Koch (11 December 1843 – 27 May 1910), was born in Clausthal, Germany. He announced before the Physiological Society of Berlin that he had isolated and grown the tubercle bacillus, the cause of tuberculosis.

Robert Koch was a celebrated German physician and pioneering microbiologist. As the founder of modern bacteriology, he is known for his role in identifying the specific causative agents of tuberculosis, cholera, and anthrax and for giving experimental support for the concept of infectious disease. As a result of his groundbreaking research on tuberculosis, Koch received the Nobel Prize in Physiology or Medicine in 1905. Source: Wikipedia

Note: We thank all our first responders, nurses, doctors, health care workers, public health workers, reserve medical corps members, retailers, grocers, truckers and researchers during this stressful time. We pray our medical researchers can develop a safe and effective vaccine for the Covid-19 virus as soon as possible.

Another Successful Schlachtfest and Fasching Celebration held yesterday at the Club!

We can't pass up this opportunity to thank all those who attended and supported this event, and of course all our hard workers/volunteers who made it happen. As mentioned before, this is a four-day process, beginning on Thursday with a thorough cleaning, measuring and weighing of all the spices, in preparation for the arrival of "the pig" which comes on Friday. Then the chopping, slicing, etc. begins for the bratwurst, liverwurst and stuffed cabbage making on Saturday. The final product is enjoyed by all on Sunday with a feast beyond delicious and no one goes away hungry. *A special thank you and shout-out to Kim Walter!*

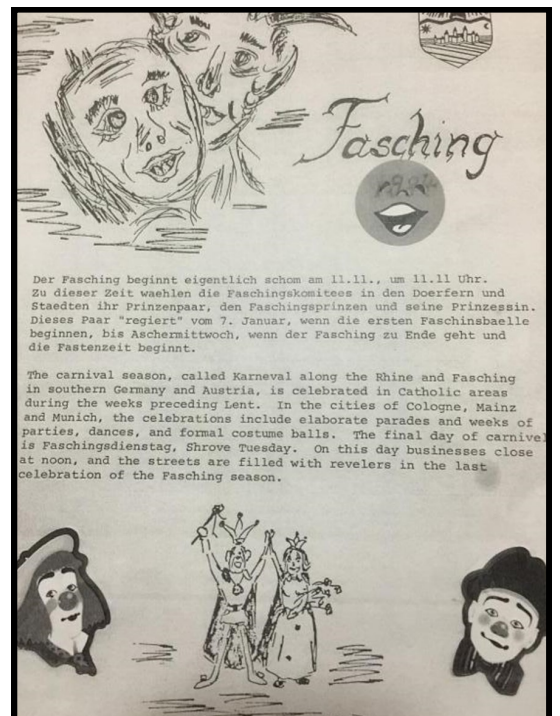

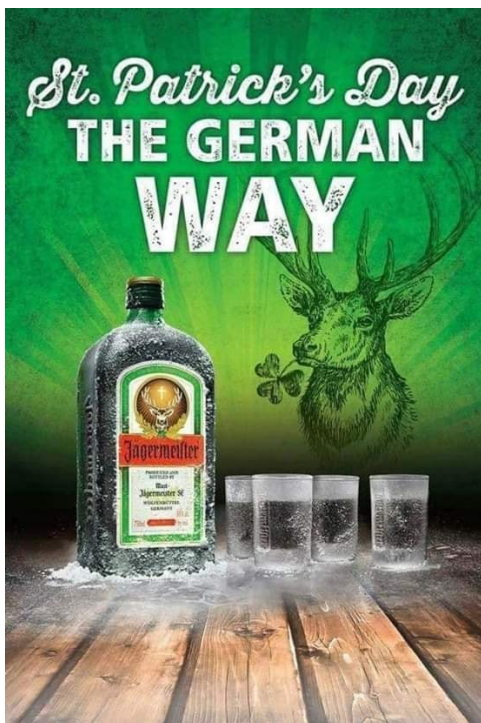

Memories of Home

BACK HOME DINNER (Cancelled due to the Corona Virus Outbreak)

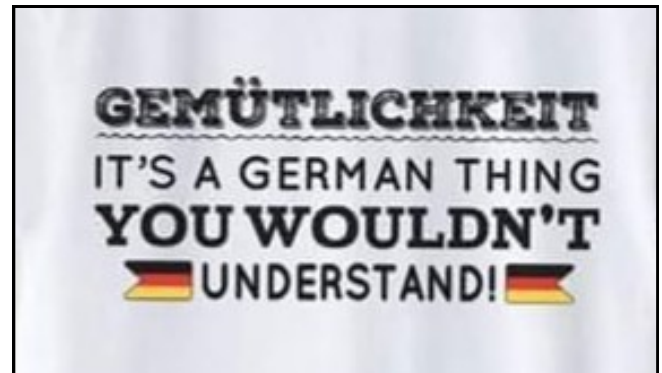

By now it's been well established that the Trenton Donauschwaben honors the rich heritage of its ancestors in both word and practice. Indeed if we could go back home again as our dinner theme suggests, our grandparents would immediately recognize today's menu as authentic: Rindsgulasch (Beef gulasch), roasted chicken (Hendel) and Fischpaprikasch (chopped fish in a stew over noodles) are Schwob comfort food favorites like no other. Most of us are pretty familiar with Gulasch on a bed of noodles and is there really anyone who doesn't know about our roasted chicken?! Our third offering, Fischpaprikasch, however, is something quite extraordinary. Let's look at what makes this so special among our Donauschwaben. Back in the old country eating fish was what one did on Friday. Fridays after all were considered days of fasting, kind of like Lent all year round. Happily, this coincided nicely with an abundant supply of fish found in the Danube River. So, add the need for religious observance together with the availability of carp and catfish and what came of it was the beloved dish we call "Fischpaprikasch"!

My hometown of Bukin in the Voivodina in what is today Serbia was not far from the mighty Danube. Back then, a few Hungarian families lived on the banks of that great river and they took good care of the town when it came to supplying fresh fish. I remember well the way they would travel by wagon back and forth through the streets calling out in German something akin to "get your fish here", "get your fish here". And so it was that we Bukiners could buy great tasting fish right on our door step. Together with onions, paprika and Oma's noodles, they made for some excellent Fischpaprikasch everyone enjoyed. Not to be forgotten was my dad's homemade wine which made the fish feast complete, something even a small boy like me got a few swallows of every now and then. Those were heady days of good and plenty, of family and friends, of laughter and enjoyment. A relatively short but glorious time before the war caught up with Bukin and changed everything. What a time it was! Congratulations to our kitchen staff on their fine efforts to take us back home again. - by the *Late Adam Martini*

Did You Know About Our Museum?

Scholarships & Culture

Second Floor of our Clubhouse!

When attending one of our many wonderful dinners, take a moment to stop by the second floor of our Clubhouse to tour our museum. Donations were given by many of our members from the "old country"..... original "Tracht", among other things, and a history board detailing the plight of the Donauschwaben people and the founding of our beloved Club back in 1956 (See photo above).

The Club will celebrate it's **63rd Anniversary** on October 20th at the clubhouse. We hope it will be well attended and enjoyed by all. Please tour the museum, which is updated throughout the year. Many visit the museum during our monthly dinners and are impressed with the items presented.

Finally, we were delighted to welcome the German Students of Steinert High School and Hamilton West, and their families to our February 2020 Schlachfest. It's always a pleasure to have them with us to give them a first-hand cultural experience! *Es hat uns sehr gefreut!!!* We enjoy your company as we share our common bond....our culture and heritage!

A Scholarship Update!

Our scholarship recipients have been identified and will be honored at their awards nights the end of the school year. We are pleased to announce three recipients from Steinert High School, and one each from Hamilton West and Nottingham. Unfortunately we cannot yet share their names. We hope we can personally present these students with these well-deserved awards, but of course given the current situation, it remains to be seen. Stay tuned! **We thank our members and friends for supporting this important program throughout the year!** ***

GENEALOGY CLASS

Club member **Dennis Bauer** was again teaching a genealogy course at the Pennsbury Adult Community School in Fairless Hills, PA starting February 25th at 7pm for 5 weeks.

The course details are: #14—1733 Your Immigrant Ancestors Came From Where?

How to find your immigrant roots. This is an introductory class on researching your ancestor's place of origin. Learn how to find where your immigrant ancestor came from, where to find the information, and how to use the internet in search for your ancestral homeland. The class will cover ship/plane passenger lists, passport applications and naturalization records that can give you a clue as to where your ancestors came from. Some previous knowledge of genealogy and the internet is helpful but not necessary. A resource CD containing genealogical software, resources and additional supplies are included.

Update: Due to the Corona Virus Outbreak his course was postponed with only two classes left until further notice.****
