Garden Farms Community Water District

Atascadero, CA 93422

Dear Marcia Joyce:

As you are aware, I am a paraplegic and confined to a wheelchair. I have spoken with board member John Pinson and he confirmed that the location of the public hearing to be held on October 11th at the Garden Farms Church is not wheelchair accessible. As required by the Brown Act and the Bagley Keene Open Meeting Act, I am requesting that the public hearing location be changed to one that is wheelchair accessible.

Additionally I am making a formal public records request for the water district's past three years of financial reports and audits as well as the current year's budget. I could not locate these items on the district's website. Electronic copies and delivery are acceptable. My email address is w6fm@att.net.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald O. Patterson", with a long horizontal flourish extending to the right.
