Nautical Arabia Academy

SUNSET BEACH RESORT | KHOBAR

About Us

Nautical Arabia Academy was established here in the Eastern Region of Saudi Arabia with the premises to promote sailing and other water sports and beach activities. The sunny region all year round coupled with clam gulf water makes a perfect condition for such sports. Part of our leaders' 2030 vision in the country is to promote health, wellness and sport. We believe sailing and water sport activities can chive such a goal.

Our Vision

Our vision is to advance sailing, water sport and beach activties to be major sport in the country and able to compete internationally while protecting the envinoment.

Our Mission

To promote sailing and water sport and beach activities through multiple programs that are applicable to different public and private sectors within the region and the country.

WHAT CAN WE OFFER?

**SAILING AND WATER SPORTS COURSES
FOR STUDENTS AS PART OF PHYSICAL
EDUCATION CURRICULUM.**

**ESTABLISHING COMPETITIVE COLLEGE

A full-page background image of a scuba diver in a black wetsuit and mask, swimming underwater. The diver is surrounded by a large school of small, silvery fish. In the top left corner, there are teal-colored geometric patterns including zig-zags, dots, and a cross. The diver's wetsuit has "PADI" and "200ft" visible on it. The diver is making an "OK" hand signal.
