S/Y NOMAD

S/Y NOMAD is 2019 built Lagoon 52. With its diamond-shaped vertical bows, bevelled hulls, its as if levitated deckhouse and tall rig, NOMAD is no ordinary catamaran, but its originality goes a great deal further than just its "outer" appearance, or even its interior layout. Superior in terms of elegance, comfort, safety, user friendliness and, it goes without saying, performance under sail.

LUXURIOUS AND CONTEMPORARY with soft shades for a harmonious interior continuous horizontal and fluent lines give the interior open and generous spaces continuity between exterior and interior life, a slender exterior design for a boat with a strong character. The saloon encompasses the lounge and dining table to starboard, a large galley in U shape on port side the chart table in the middle, facing out to sea, the "U" galley is equipped with large hot plates, large work space and plenty of storage the circulation in the salon is optimized, between the lounge and the galley, all the cabins have large double beds, storage space in keeping with the offshore sailing program of the boat and, of course, an en-suite bathroom with separate shower, the cabins have incomparable natural lighting thanks to the fixed hull windows, together with excellent ventilation thanks to the deck hatches and portholes that open out to the hull-side or to the cockpit.
