MAKE BOATING EASIER IN SAUDI ARABIA

Vision:

To be the premier advocate for yachting, sailing, and water sports in Saudi Arabia, fostering a thriving maritime culture that inspires individuals and families to embrace the joys of the sea and the adventures it offers.

Mission:

Promote Yachting Culture: To elevate the awareness and appreciation of yachting and sailing as essential aspects of the Saudi lifestyle, encouraging more people to experience the beauty and freedom of the water.

Community Engagement: To actively engage with local communities through events, workshops, and sailing programs, making yachting accessible to all and nurturing a passion for water sports among diverse demographics.

Quality Experiences: To provide top-tier services and support for yachting enthusiasts, ensuring that every customer enjoys a seamless and enriching experience, from purchasing yachts to participating in sailing events.

Education and Training: To offer comprehensive training programs and certifications in sailing and water sports, empowering individuals with the skills and knowledge needed to safely and confidently enjoy the sea.

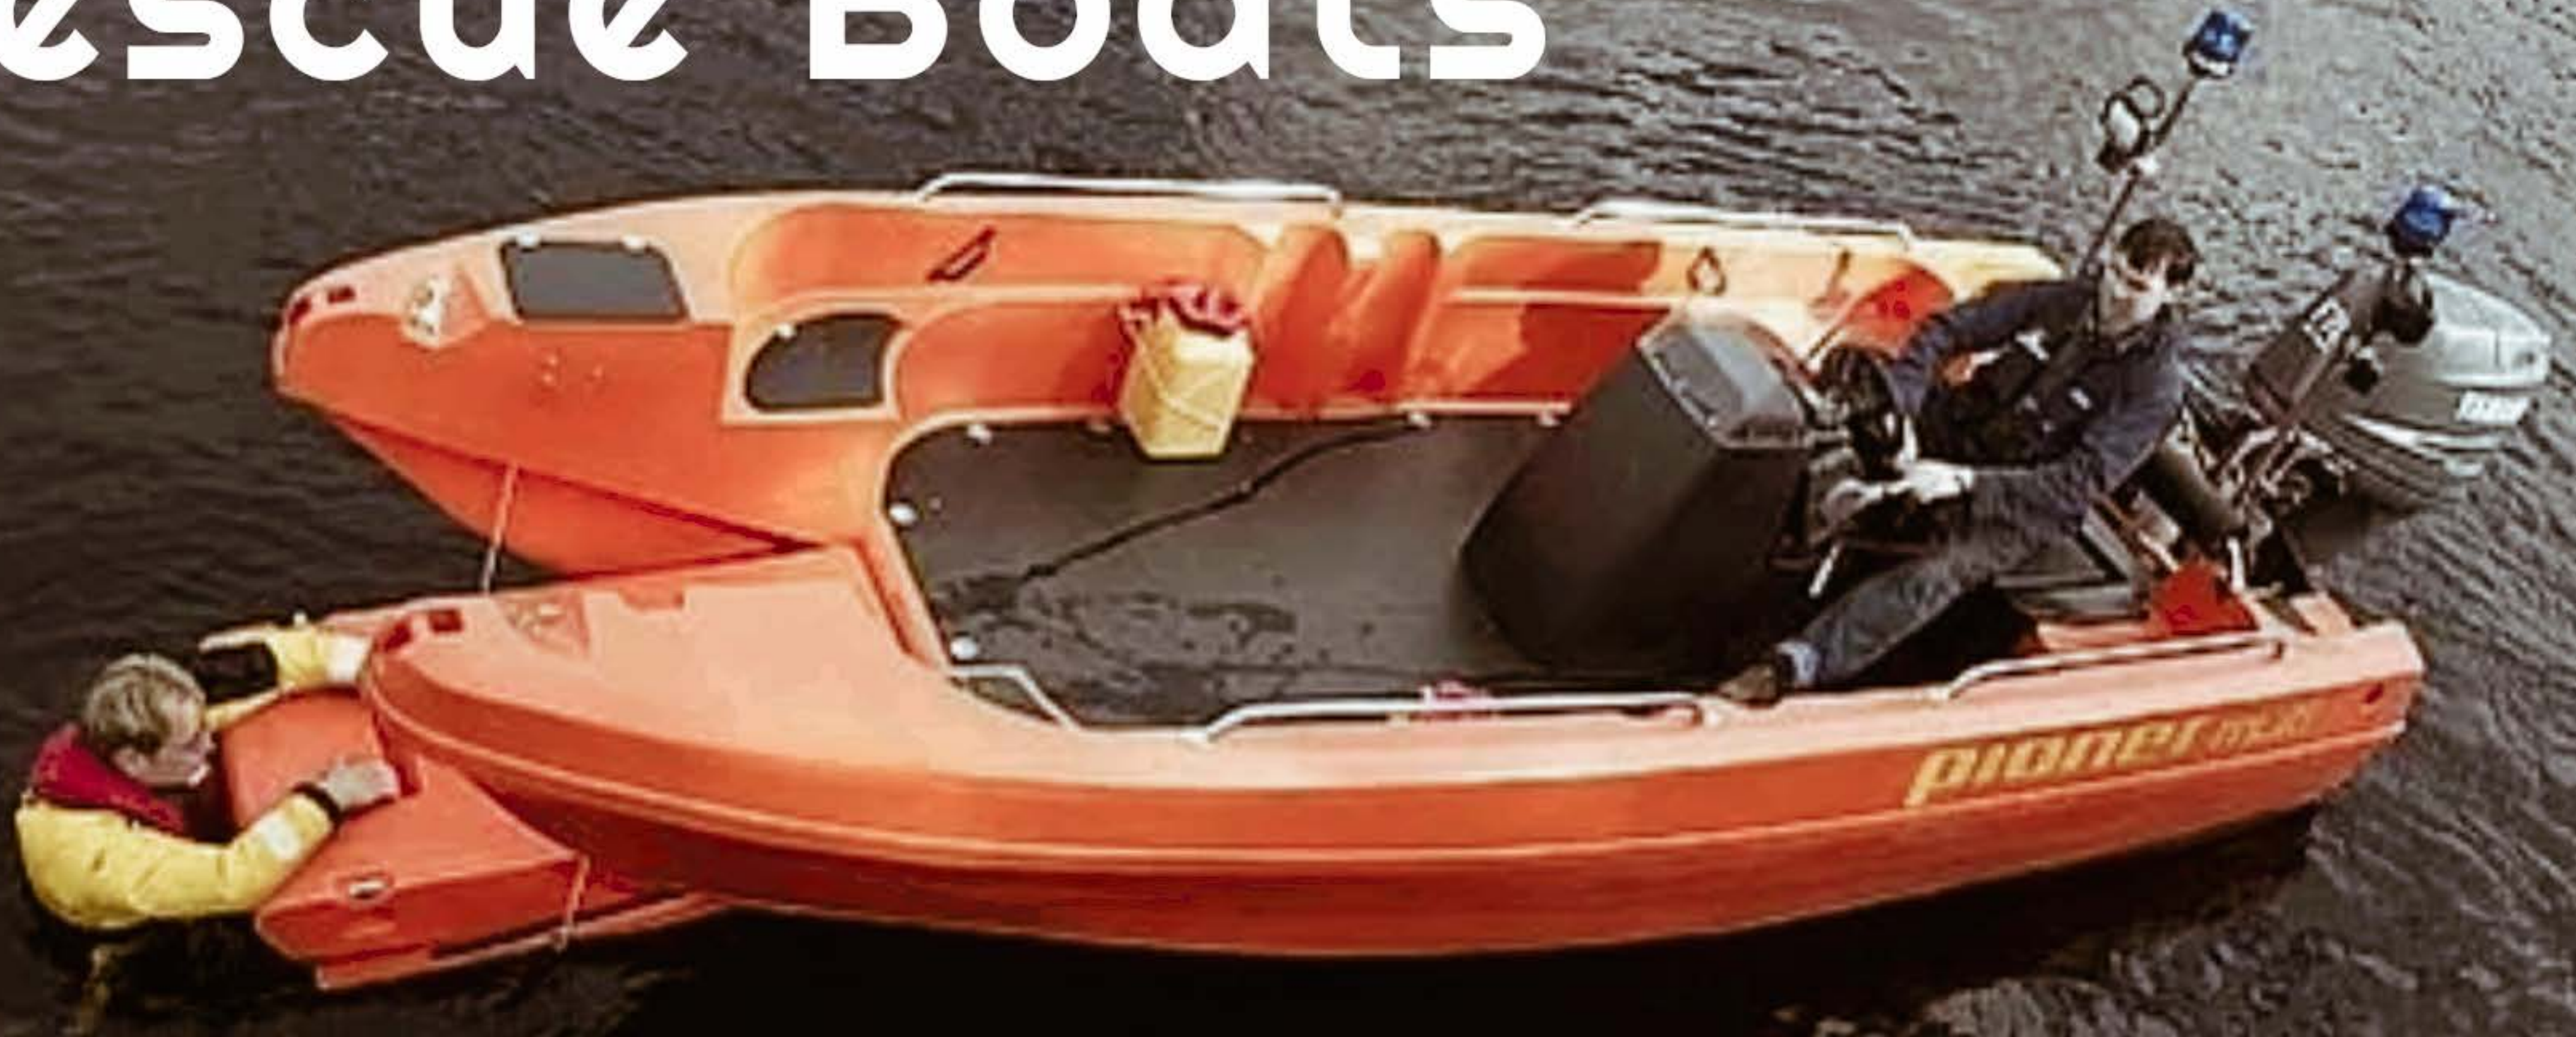

Sustainability Advocacy: To promote sustainable practices within the yachting community, ensuring that our activities respect and preserve the marine environment for future generations.
