

The Courts of Heaven Explained

Prophetic Activations / Exercises to Incorporate into Your Week

The purpose of these exercises is to help us hear God's voice in a clearer manner. They sharpen our senses to hear and recognize God's voice and His way of communicating with us. This enables us to grow in our relationship with God and to impart to others what God tells us for them. Feel free to use as many of these activations each week as you can. The more you practice, the sharper you become at hearing God's voice. Enjoy!

Remember that whenever you give another person a prophetic word or picture etc., please make sure that it is encouraging, edifying (strengthening) and comforting (1 Corinthians 14:3)

1. Children / Families Activation: Have paper and crayons/pencils/texts handy. Ask everyone to close their eyes and imagine they are at a park with Father God. Get them to ask God which area of the park He wants to take them to and play with them. Get them to ask Father God to tell or show them something that He would like them to know. Explain that when they are ready, they can open their eyes and draw where on the park they were with God. Encourage them to share or write what it was that Father God told or shared with them.
2. Group Activation: Have people pair up. Give everyone a minute to ask God what fancy dress outfit He would love to dress their partner in and why. Just go with the first image that comes to mind. Ask God to explain why that image. After a minute, share with your partner.
3. Beginner Activation: Imagine a plane flying overhead with a banner trailing behind it. Look at the banner – what has God written on it just for you? Why? Look again, what has God written on it for someone else? Why and whom has He written it for?
4. Intermediate Activation: Sometime this week go into a clothing shop, and ask God to highlight an item of clothing. Go up to that item and touch it. Prophecy over that article of clothing and the person who is going to buy it. Speak God into their life and decree and declare favor, goodness, integrity etc. over the person who buys this article of clothing.
5. Advanced Activation: Open a newspaper and ask God to highlight a headline to you. Ask God whom the statement in the headline applies to and why? Prophecy/declare it over that person. Then read the newspaper article that the headline applies to. Ask God to show you what He would have you pray re that subject. Decree and declare what God has shown you.
