

Walking out our faith—by EXAMPLE

Lesson 2

This lesson is a 4 part series of lessons designed for parents and children to work through together to help keep children engaged as well as to give them a better understanding of the importance of faith and pleasing our Heavenly Father.

What is Faith?

Let's look at what the Bible tells us about Faith...

Heb 11:6 No one can please God without faith, for whoever comes to God must have faith that God exists and rewards those who seek him. So we know that faith is:

- something we can not see with our eyes.
- That we can not please God without faith
- We have to have faith to talk to Him.
- He will reward us for having faith

Alef Tav Game

Blindfold one child and put him in one part of the room make him call out "Alef", and the adult calls out "Tav"...til he can find the adult just by relying on his voice through a maze.

James 2:17 "Even so faith, if it hath not works, is dead, being alone."

So, that word, "works", means we have to put our faith to action or not just say what we believe, but SHOW others what we believe. In order for us to walk out our faith by example, we have to think about who our example is. What is an example? Someone who does things that are right and leads the way for others.

Yeshua...He is our greatest example...we want to live how He lived, and do the things He did. So what are some of the ways that we can be an example like Yeshua was?

1. Praying to Yehovah every day.
 2. Reading God's word the Bible every day to hear Him.
 3. Always Showing love by helping others.
 4. Being obedient to His laws and Torah.
- 1Timothy 4:12 Let no one despise you for your youth, but set the believers an example in speech, in conduct, in love, in faith, in purity. When we learn these things about Jesus/Yeshua, and put our faith into action we will become someone that our parents are proud of, but most importantly someone that Yahweh is proud of and that He can use as an example.
