Quality That Breeds On and On

We are excited to offer 160+ commercial females for sale. These elite females are all backed by generations of Meitler maternal Hereford and Angus cattle. Please join us April 15th in Russell, Kansas for the opportunity to purchase from a line breeding program that guarantees predictability and uniformity.

Maternal traits have been the core of our program for decades. Hereford and Angus bulls for sale by private treaty at the ranch.

Meitler Maternal Genetics at its best!
