BACKGROUND & CAPABILITIES

Native Star Group, Inc. is a Native American, woman-owned, certified 8(a) & HubZone contractor. Combined, our key personnel have over 50 years of experience in estimating, planning and project management of large government contracts including JOC, SABER, SATOC and POCA contracts for various Federal contracting agencies. In addition to our combined experience, Native Star Group is the protégé to Advanced Construction Services, Inc., who is our SBA approved Mentor in the SBA Mentor-Protégé Program. ACS has extensive NAVFAC experience, including in JOC IDIQ contracts. Combined with our recent history on stand-alone contracts, our collective experience on IDIQ contracts and the experience of our Mentor, Native Star Group, is well positioned to offer a quality solution to any Federal contracting agency.
