Dear Family,

Welcome to the **57th Robinson & Weeks Family Reunion – **BOOTS ON THE GROUND!**** We hope everyone will enjoy a fun-filled weekend of reconnection and meet new loved ones for the first time. The family structure is the very foundation on which any society stands strong. Our gathering recognizes and celebrates the importance of staying together, keeping in touch, and providing stability for the younger generations.

We hope that everyone will leave the reunion with a greater sense of the depth of the **Robinson & Weeks** legacy. We all stand on the great shoulders of our ancestors and forefathers who have paved the way for us to be where we are today and who we are today! Our legacy is not what we take away but what we leave here.
